*A quality pew and ministry Bible at a very
economical price. - Complete text with
subject headings and translators'
footnotes. Bible teacher Nancy Guthrie
takes readers from Genesis through
Malachi, shining the light of Christ on
the promise of a descendent who will put
an end to the curse of sin; the story of a
father who offers up his son as a
sacrifice; the symbol of a temple where
people can meet with God. Dive deep into
the history of the last days before the
crucifixion. "This book will prove to be a
most effective weapon... against the
debunking and skeptical attitudes toward
the Gospels that are so prevalent, not
only in academe, but also on the street,
among young people who, sadly, are leaving
the Churches in droves." - Robert Barron,
author of Catholicism For well over a*

hundred years now, many scholars have questioned the historical truth of the Gospels, claiming that they were originally anonymous. Others have even argued that Jesus of Nazareth did not think he was God and never claimed to be divine. In *The Case for Jesus*, Dr. Brant Pitre, the bestselling author of *Jesus and the Jewish Roots of the Eucharist*, goes back to the sources—the biblical and historical evidence for Christ—in order to answer several key questions, including:

- Were the four Gospels really anonymous?
- Are the Gospels folklore? Or are they biographies?
- Were the four Gospels written too late to be reliable?
- What about the so-called “Lost Gospels,” such as “Q” and the Gospel of Thomas?
- Did Jesus claim to be God?
- Is Jesus divine in all four Gospels? Or only in John?
- Did Jesus fulfill the Jewish prophecies of the Messiah?
- Why was Jesus crucified?
- What is the evidence for the Resurrection?

As *The Case for Jesus* will show, recent discoveries in New Testament scholarship, as well as neglected evidence from ancient manuscripts and the early church fathers,

together have the potential to pull the rug out from under a century of skepticism toward the traditional Gospels. Above all, Pitre shows how the divine claims of Jesus of Nazareth can only be understood by putting them in their ancient Jewish context. The teachings in this book have helped hundreds of thousands of people gain a deeper appreciation for Jesus's teachings about the mystical path that he taught 2,000 years ago and that he still teaches today--for those who are able to make an inner connection with him. Today many people cannot find a lasting heart connection to the real Jesus and his teachings because, according to most Christian churches, Jesus no longer talks to us. In reality, Jesus is a spiritual being and he is working to help all people who are able to raise their consciousness and attune to his Presence. For the past 2,000 years he has maintained a line of communication through those who have been willing to serve as messengers for his Living Word and who have pursued an understanding of his true message instead of settling for official Christian

doctrines. In this book, the ascended Jesus reveals the mystical teachings that he gave to his most advanced disciples. He explains why his true teachings are as relevant today as they were two millennia ago and how you can develop a personal relationship with him—one of the most remarkable spiritual teachers of all time. Once you admit that mainstream religious traditions have not answered your questions about life, it is truly liberating to read the profound and meaningful answers in this book.

Encouraging, moving and profound, this enlightening book will help you attain inner attunement with Jesus, even mystical union with him. You will learn how to:

- recognize the silent, inner voice of Christ in your heart
- achieve permanent inner peace and happiness by getting connected with the Christ Consciousness
- heal yourself from emotional wounds
- get guidance from Jesus, who is your greatest teacher and friend
- communicate directly with Jesus

Have you ever thought about the leadership style of Jesus Christ? There has never been anyone who has had an

influence on the world the same as Jesus. He began His ministry with a small group of men who He equipped to change the world. Jesus's strategy of leading did not focus on prestige, wealth, power, or force. The plan of Jesus, from the start of His ministry, was to be a servant-leader. The servant-leadership style of Jesus is a strategy that will benefit any organization, business, charity group, or congregation. What does it mean to have the mind of Christ? In this classic book, Frances Hunter shares a wonderful revelation of the transforming power that is ours when we learn to think the thoughts of Jesus. As we share in His thoughts, we become energized and empowered in every area of our lives, and our desires become His desires. But the choice to change is ours. Satisfy the deep yearning for more that lies within. Say yes to Jesus and experience the daily power and blessings of having the mind of Christ. "A twentieth-century classic, uncannily smart, incredibly learned."--from the foreword by Bart Ehrman This book challenges traditional

Christian teaching about Jesus. While his followers may have seen him as a man from heaven, preaching the good news and working miracles, Smith asserts that the truth about Jesus is more interesting and rather unsettling. The real Jesus, only barely glimpsed because of a campaign of disinformation, obfuscation, and censorship by religious authorities, was not Jesus the Son of God. In actuality he was Jesus the Magician. Smith marshals all the available evidence including, but not limited to, the Gospels. He succeeds in describing just what was said of Jesus by "outsiders," those who did not believe him. He deals in fascinating detail with the inevitable questions. What was the nature of magic? What did people at that time mean by the term "magician"? Who were the other magicians, and how did their magic compare with Jesus' works? What facts led to the general assumption that Jesus practiced magic? And, most important, was that assumption correct? The ramifications of Jesus the Magician give new meaning to the word controversial. This book recovers a vision

of Jesus that two thousand years of suppression and polemic could not erase. And--what may be the central point of the debate--Jesus the Magician strips away the myths and legends that have obscured Jesus, the man who lived. *Living the Gospel of Jesus Christ* addresses the challenge of whole-life discipleship and Christian formation for the contemporary church. Authors from around the world bring together insights from their Evangelical and Orthodox traditions to enrich the journey of witness and martyrdom, a faithful daily living of the Christian gospel which speaks with integrity to a world seeking truth. *The Aquarian Gospel of Jesus the Christ* is a book by Levi H. Dowling who claimed that he had transcribed the text of the book from the kashic records, a purported compendium of mystical knowledge supposedly encoded in a non-physical plane of existence. In the later 20th century, it was adopted by New Age spiritual groups. The title is derived from the practice in astrology of naming time periods in terms of constellations and

their dominant positions in the sky,
according to the earth's axial precession.
In that system, the Age of Aquarius is
approaching. Content: Section I (Aleph):

the Christine Church The final book of the
Bible, Revelation prophesies the ultimate
judgement of mankind in a series of
allegorical visions, grisly images and
numerological predictions. According to
these, empires will fall, the "Beast" will
be destroyed and Christ will rule a new
Jerusalem. With an introduction by Will
Self. The purpose of this work is simply
to: a) Prepare and encourage the 'true
believer' to remain true to 'Jesus Christ
as Personal Lord and Savior'. The Prince
of Peace will eternally rule. b) Warn the
'non-believer' as to what will happen to
him or her if they continue in sin, in
blasphemy, in indifference, or in
corruption and violence. No more weapons,

nor instruments of cruelty and death. The Lord God will rescue all true believers! He will also rescue and redeem all of Creation, including every living creature that He made in the Beginning, including all variants of the same. (Remember Noah and the Ark?) Creation and creature will be saved and redeemed. Creator, Creation, and Creature (including us) will all walk hand-in-hand. In her controversial bestseller "Jesus the Man," Barbara Thiering first presented a completely new historical interpretation of the life of Jesus Christ. Now, in this work of remarkable research and scholarship, Dr Thiering sets out to unravel the mysteries that have long surrounded the elusive complexities of the Book of Revelation. "'It was not, '" she writes "'about vision and apocalypse, but about the profoundly important history of the Christian movement from AD1 to AD 114.'" In "Jesus of the Apocalypse," Dr Thiering presents a new and significant view of the development of Christianity from the time of the Crucifixion until the second century AD. She argues that Jesus was no

solitary preacher appearing suddenly on the shores of Lake Galilee: he was a central figure in a major political movement to overthrow the pagan Roman empire. Although crucified, he did not die on the cross, and he, and subsequently his sons, took an important role in the evolution of the new underground religion which was developing out of Judaism. With detective-like perseverance Dr Thiering unfolds the mystery of words, meanings and places that have been allowed to pass unchallenged, including a radical new interpretation of such mystical themes as the Four Horsemen of the Apocalypse, the seven seals, the Beast whose number is 666, the Great Harlot clothed in scarlet and purple. In so doing, she provides an absorbing and enlightening background to a period that has been seen more through the implications of scripture than the facts of history. *Putting Jesus in His Place* is designed to introduce Christians to the wealth of biblical teaching on the deity of Christ and give them the confidence to share the truth about Jesus with others. What was it like in the time of Jesus?

What was Jesus really like? Did he really perform those miracles? In this book the author seeks to answer these questions and many others about the Jesus of history. The author centers on two main concerns: how much Jesus was a part of his Jewish culture, and how much he moved beyond this culture to new and unique insights. Tambasco explores the very human face of Jesus. This book will be a useful tool to undergraduates seeking an overview of the Jesus of history and his claims. To those in adult education the book presents a useful summary of the foundational Christian story and its teaching. To those outside of Christianity or to the non-committed the work will satisfy curiosity over why Jesus has attracted such a following. To all its readers the book tries to answer the basic questions: Who was Jesus of Nazareth? What would it have been like to meet him in history? What makes him so special? John 3: 16 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. Romans 3: 23 For all

have sinned, and come short of the glory of God. Romans 6: 23 For the wage of sin is death: but the gift of God is eternal life through Jesus Christ our Lord. Romans 10: 9 & 10 That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. Popular Author Provides the Market's Most Accessible Introduction to the World of Jesus' Time To understand Jesus' life and ministry, we need to understand the history and culture of his world. Marty, author of the popular *The Whole Bible Story*, provides readers with a thoroughly readable, easy-to-understand history of Israel leading up to the time of Christ. Each chapter ties closely to the events of the New Testament as Marty carefully answers such questions as •Who were the Pharisees and why was Jesus upset with them? •Why didn't anyone like the Samaritans? •When and why did the Jews start worshiping in "synagogues" rather

than the Temple? The book will include call-out boxes, summaries, and other tools to make this the most accessible book available on the topic. Deriving insights from the life of Jesus in the Gospels, Klaus Issler uncovers the dynamics involved in truly becoming more Christlike. He shows how you can forge much deeper connections with Jesus. The result is a closer alignment between what you want to do as a follower of Jesus, what you actually do and who you are becoming in him. Previously published in hardcover as *King's Cross* The most influential man to ever walk the earth has had his story told in hundreds of different ways for thousands of years. Can any more be said? Now, Timothy Keller, New York Times bestselling author of *The Prodigal Prophet* and the man *Newsweek* called a "C. S. Lewis for the twenty-first century," unlocks new insights into the life of Jesus Christ as he explores how Jesus came as a king, but a king who had to bear the greatest burden anyone ever has. *Jesus the King* is Keller's revelatory look at the life of Christ as told in the

Gospel of Mark. In it, Keller shows how the story of Jesus is at once cosmic, historical, and personal, calling each of us to look anew at our relationship with God. It is an unforgettable look at Jesus Christ, and one that will leave an indelible imprint on every reader. I accept the resurrection of Jesus not as an invention of the community of disciples, but as an historical event. When a leading orthodox Jew makes such a declaration, its significance can hardly be overstated. Pinchas Lapidé is a rabbi and theologian who has specialized in the study of the New Testament. In this book he convincingly shows that an irreducible minimum of experience underlies the New Testament account of the resurrection, however much of the details of the narrative may be open to objection. He maintains that life after death is part of the Jewish faith experience, and that it is Jesus' messiahship, not his resurrection, which marks the division between Christianity and Judaism. Dr. Lapidé quotes Moses Maimonides, the greatest Jewish thinker, in his support:

All these matters which refer to Jesus of Nazareth...only served to make the way free for the King Messiah and to prepare the whole world for the worship of God with a united heart.ó The book was first published in 1915. Jesus the Christ is the classic presentation of the life and ministry of the Savior. It helps people get a deeper understanding of the subject and give inspiration to believers. This book is often used in ministry and for the preparation of sermons. Christians often pay scant attention to the Jewishness of Jesus. Chris Wright's book sets out to redress the balance, exploring the identity, values and teaching of Jesus in the light of the Old Testament. The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave The publication of the King James version of the Bible, translated between 1603 and

1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance. The long "Quest of the Historical Jesus" has come to an end--according to Floyd Hale, the author of HOW JESUS WAS LOST IN THE BIBLE ... AND FOUND. This is a brief review in his own words. Jesus was the "first Gandhi" (to sum it up in one statement). To make this obvious I first show--"by the Scriptures"--that all the other images and titles laid on Jesus after his death by the Church are false. That takes a few pages of what may be considered boring by some--even heresy by others. The real Jesus' primary task was

to pick and train dedicated followers who would conduct nothing short of a revolution--"nonviolently." Needless to say this would cause enemies, whom they were to "love"--while "hating" their own families. Words like these have caused Bible scholars to miss seeing Jesus applied this kind of teaching to those whom he would "send out," and not to "all believers." Jesus's execution as a seditious by the Romans stopped the "revolution" before it started. No "sender-outer," no revolution. But the "edited" plans were well remembered and can be gleaned from the Gospels. This reveals the image the "planner." Jesus was a Humanist and needs to be rescued from the Bible and let stand in History on his own, no longer shackled by religion. One of the purposes of this book is an effort to do just that. A full Review of "How Jesus Was Lost ... And Found," is Mike Travelstead's Review which follows: _____

_____ *How Jesus Was Lost in the Bible and Found by Floyd Hale*
Reviewed by Mike Travelstead, Macedonia, IL
In his latest of several self-published

books, The Reverend Floyd Hale has taken on the Herculean task of redefining Jesus the Christ. Having read all of the previous books, which were thought-provoking for truth-seekers, I found this latest volume most compelling, following a consistent logic, using much illustration, explanation, and scriptural reference. If readers approach the text with an open mind and critical attitude, they will be rewarded with a cogent argument worthy of reflection, one that re-shapes the image of Jesus, who has had a profound and far-reaching effect on the history of our world. The thesis of *How Jesus Was Lost in the Bible and Found* claims that the traditional titles applied to Jesus Christ, Messiah, Savior, Son of God, Son of Man by the church are false because the Old Testament prophecies did not apply to him nor foretell him. Some liberal Biblical scholars have denied the divinity of Jesus, but maintain that he was a wise teacher. The Reverend Hale goes further by insisting that Jesus commanded his followers not just to believe, but to act. He trained them to conduct a non-violent

revolution designed to change the system, a system which oppressed the poor and suffering. Later leaders, like Gandhi and Martin Luther King Jr., adopted this sacrificial but effective technique. However, Jesus plan was aborted by his premature execution. Hales style is conversational, infused with Southern Illinois humor, some references which may not be readily apparent to younger readers. Some analogies, too, are quite instructive. I like especially the football analogy he uses at the end. Hale speculates that Jesus has a dream," in which he forms a team that will carry the ball, but he dies a moment before kick-off. The game is called for a memorial service. But instead of going back to the field, they continue conducting memorial services. That is powerful. This plan never came to fruition because, as Hale claims, Jesus followers misinterpreted his idea of the Kingdom. As the early church was being established, many different beliefs contended for precedence. The historical figure who virtually single-handedly created the Christian Church as

it is known was St. Paul. Completely ignoring the stories of Jesus miraculous birth, Paul emphasizes the resurrection as the basis of his faith, hoping for eternal salvation sometime in the future. Hale maintains that Jesus preaching of the Kingdom defines eternal as now the Kingdom of God is here right now. This definition of eternal may not be the common perception, but Joseph Campbell, the late world renowned expert on world mythology and important influence on George Lucas Star Wars, also defines eternal as the here and now. Floyd Hale is no stranger to controversy. His writing and preaching over the years have created no small amount of unrest, readers and listeners experiencing bewilderment, disbelief, and even anger. But he has kindly and courageously held the line. His background is much like many of us who grew up in the traditional church environment, a literal reading of the Bible, with apparent contradictions which were not allowed to be questioned, fear instilled by a wrathful God who punishes and rewards. Hale entered seminary with a desire to

"preach the word" and perpetuate the system, but his God-given intellect forced him to reconsider the orthodoxy. This has led him on a lifelong quest for truth, but it is a difficult and sometimes lonely road, "the road not taken" as Robert Frost would have it. Others have written on similar topics. One especially like it is *Why Christianity Must Change or Die* by John Shelby Spong, retired bishop of the Episcopal Diocese of Newark. Spong maintains that in light of scientific advancement and modern biblical criticism, the church must implement this knowledge or become irrelevant, or even extinct. Floyd Hale may have the idea that could solve this problem. #1 NEW YORK TIMES BESTSELLER • "A lucid, intelligent page-turner" (Los Angeles Times) that challenges long-held assumptions about Jesus, from the host of *Believer* Two thousand years ago, an itinerant Jewish preacher walked across the Galilee, gathering followers to establish what he called the "Kingdom of God." The revolutionary movement he launched was so threatening to the established order that

he was executed as a state criminal. Within decades after his death, his followers would call him God. Sifting through centuries of mythmaking, Reza Aslan sheds new light on one of history's most enigmatic figures by examining Jesus through the lens of the tumultuous era in which he lived. Balancing the Jesus of the Gospels against the historical sources, Aslan describes a man full of conviction and passion, yet rife with contradiction. He explores the reasons the early Christian church preferred to promulgate an image of Jesus as a peaceful spiritual teacher rather than a politically conscious revolutionary. And he grapples with the riddle of how Jesus understood himself, the mystery that is at the heart of all subsequent claims about his divinity. *Zealot* yields a fresh perspective on one of the greatest stories ever told even as it affirms the radical and transformative nature of Jesus' life and mission. Praise for *Zealot* "Riveting . . . Aslan synthesizes Scripture and scholarship to create an original account."—*The New Yorker* "Fascinatingly

and convincingly drawn . . . Aslan may come as close as one can to respecting those who revere Jesus as the peace-loving, turn-the-other-cheek, true son of God depicted in modern Christianity, even as he knocks down that image.”—The Seattle Times “[Aslan’s] literary talent is as essential to the effect of *Zealot* as are his scholarly and journalistic chops. . . . A vivid, persuasive portrait.”—Salon “This tough-minded, deeply political book does full justice to the real Jesus, and honors him in the process.”—San Francisco Chronicle “A special and revealing work, one that believer and skeptic alike will find surprising, engaging, and original.”—Jon Meacham, Pulitzer Prize-winning author of *Thomas Jefferson: The Art of Power* “Compulsively readable . . . This superb work is highly recommended.”—Publishers Weekly (starred review) Long before the time of Jesus, Jewish communities spread throughout the eastern Mediterranean. Many of these congregations are augmented by growing numbers of Gentiles, known as God-fearers, who participate in the synagogue, follow

many Jewish practices but reject adult circumcision. Soon after the crucifixion of Jesus, his first followers, all Jews, start new congregations in Palestine and the Diaspora, preaching his Jewish message. Two years later, in the year 35, Paul, a Jew from Asia Minor, will join this movement and change its character and direction forever. During Paul's early missions to Diaspora synagogues, he finds that these gentile Jewish "sympathizers" respond to his proposals for a "New Israel." They will provide him with the market opening he needs to start his first congregations. Making Jesus the Messiah illuminates to pivotal relationship between Paul and this market segment of God-fearers in the earliest history of Christianity. With his first communities established, Christianity is born. The Divine Seed interprets the lessons of the Schoolmaster Jesus Christ through the way of the truth-seeker, illuminating his parables, teachings to his disciples, and practical advice on how we should honestly live. In this way, Pekka Ervast helps readers examine Jesus' life as it contains

the deepest, most secret meaning in the Gospels. In decoding the Gospels, he shows us how to free ourselves from intellectual bondage and allow the divine seed contained within the soul to germinate freely and grow. The religion founded by Mohammad gives primacy to the patriarchs Abraham, Isaac, Jacob and Moses, and, although it may be a surprise to many Christians, considers Jesus one of the prominent religious figures of Islam. *The Islamic Jesus* is a book for all those who are interested in Christology, in which Daniel Deleanu brings together both canonical and traditional Islamic texts, adding a new facet to the image of Jesus in this often misunderstood religion. Deleanu shows that there are substantial discrepancies between the canonical and the apocryphal portraits of Jesus in Islam. Alongside the authoritative Koranic stories of Jesus, this anthology presents traditional accounts from the Hadith and other less known sources, whom Daniel Deleanu has collected and co-translated to produce a genuine Islamic gospel. A collection of paintings depicting the life

of Christ structured around the prayers of the rosary. This easy-to-use study for small groups and individuals reveals the Bible's book of joy. The apostle Paul's words in the book of Philippians share the secret of joy—a life centered in Jesus Christ. Open-ended discussion questions, Bible passages, and helpful explanations and applications point readers to the godly characteristic of joy, which is sharing in God's life—a quality that transcends happiness based on circumstances. About This Series:

Stonecroft Bible Studies encourage people to know God and grow in His love through exploration of His life-transforming Word, the Bible. Each book is designed for both seekers and new believers and includes easy-to-understand explanations and applications of Bible passages, study questions, and a journal for notes and prayers. "The work of Jesus reveals to us who He is. The work and the person may be distinguished but never separated."—Dr. R. C. Sproul Most Christians recognize the importance of Christ's death and resurrection. But how many of us

understand the theological significance of Jesus' actions before and after the Crucifixion? In *The Work of Christ*, Dr. R. C. Sproul looks at every aspect of Jesus' life and work, addressing such life-changing topics as: Why Jesus' baptism is relevant for our salvation The similarities and differences between the temptation of the first Adam and the temptation of Jesus, the "second Adam" How God uses song to celebrate his redemptive acts Why the Last Supper marks the beginning of a greater exodus than that of the Old Testament How Jesus' death and resurrection are grounded in the eternal covenant among the persons of the Trinity Why Jesus' ascension makes a difference in our lives today What we know and don't know about Jesus' return Moving from Jesus' existence from before creation through His incarnation, boyhood, adulthood, death, resurrection, and return, Dr. Sproul guides you to a deeper understanding of God's beautiful promise and purpose behind the works of Christ's life. Experience New Growth this Easter Do you feel like Easter sneaks up on you, as if you're spiritually

and emotionally unprepared to celebrate Jesus' death and resurrection as victorious King? In *Uncovering the Love of Jesus*, Asheritah Ciuciu invites you to reclaim the Lenten season with 40 devotionals that reveal the deep love of Jesus that's exhibited at the cross and tomb. Each daily reflection looks at Jesus' personal interactions in Scripture and leads you in meditation on a new aspect of His love. Don't let Easter pass by this year. Reflect, engage, and be transformed as you uncover the love of Jesus and learn to love your neighbor as He would. Includes optional family activities to help you celebrate Jesus together. This study uses composition criticism to consider everything that Luke wrote about Jesus. Jesus was a human being and a prophet, yet Luke wished to say much more. He has a very extensive and developed portrayal of Jesus as a saviour. His roles as Servant of Yahweh and Son of Man play a real part in explaining a number of Jesus' experiences and actions, including his passion. Jesus' identification as the Christ can be

associated with the being Son of God, but each of these identifications has its own nuances. Luke 1:35 proves crucial for a correct understanding of Son of God and guides the reader's comprehension of Jesus' identity. The OT background of Lord leads to a correct interpretation of this title when applied to Jesus, and Luke willingly predicates similar things of God and of Jesus. An anthology of stories, poems, essays, biblical passages, hymns, and songs celebrates the life of Jesus Christ, in a collection that features contributions from Shakespeare, Gandhi, Dickens, Desmond Tutu, and others. This little true story book is designed with a vision of revealing the supernatural phenomenons of real living Heavenly Angels, Jesus' gold boots and the power of love and goodness working on earth from the only Savior in existence Our Lord Jesus Christ Gods only begotten Son. With easy to read true Angel Stories and the original Ten Commandments to keep. These one of a kind true stories will leave a great lasting impression on your whole being all ages will enjoy. And I saw the

gigantic white and blue feathered Angel wing flash out with power and appear right in front of my face. Drawing on examples from literature, art, and popular culture, as well as theology, this engaging book reveals the importance of the question, "whose was he?" in fully understanding the life and legacy of Jesus. A concise, accessible and engaging exploration of Jesus's life and enduring influence Charts the changing global status and influence of Jesus, a Galilean Jew born when the ancient Roman Empire ruled the Mediterranean world, and how he has come to be honored as the Christ and recognized by billions of people around the world Traces the reception history of Jesus and his story over the past two millennia, through art, literature, and culture, as well as theology Draws on a fascinating range of materials - from ancient texts, creeds, and theological treatises, to the visual and dramatic arts, including books like The Da Vinci Code and films such as The Passion of the Christ

Reproduction of the original. The Life of Jesus the Messiah is a five-volume set

that discusses the life of Jesus Christ topically. In volume 3, the sermons taught by Jesus are discussed. Their nature is explained and both the historical impact they had on the Jews living at the time of Jesus and their significance to us today is discussed. The volume's organization makes it an ideal resource for both students and instructors. The volume includes complete scriptural references to the King James Bible, footnotes, a complete index, and a scripture index allowing readers to quickly find relevant commentary. Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the

historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.
