Score! Megan Rapinoe is a legend both on and off the soccer field. Learn how this soccer superstar and role model is inspiring the next generation of female athletes and activists. In this special limited edition book, live the journeys of six football heroes as they begin down the road to World Cup glory. Learn how star players Harry Kane, Lionel Messi, Cristiano Ronaldo, Neymar, Manuel Neuer and Paul Pogba, stepped up for their national sides, and brought them through qualification - ready to go head to head for the 2018 World Cup. When Manchester United re-signed their former youth player Paul Pogba for a world record fee in the summer of 2016, they made a powerful statement. Together with the signing of Zlatan Ibrahimović, it signalled their determination to attract the best players in the world to Old Trafford, despite three seasons of underachievement. In the four years since he had left the Reds, Pogba had blossomed into a midfielder of undoubted world class, his power and dynamism propelling Juventus to a host of club titles and the French national team to within a whisker of

winning Euro 2016. With exclusive insights from those closest to the player, Luca Caioli's Pogba is an in-depth portrait of one of modern football's greatest talents. Tam is new to the cheer squad, and from the first day of practice Maren, the squad captain, seems determined to make her look unprepared and incompetent--but with the backing of a new friend she finally finds the courage to stand up to the bullying. One anonymous football fan. 18.6 million confidential documents. This is the explosive story of the biggest leak in sporting history, and the shady underworld of modern football. In 2016, a whistleblower known only as 'John' started to leak a treasure trove of top-secret files to German newspaper Der Spiegel. These documents reveal the clandestine dealings of clubs, players and agents at the highest echelons of international football. And the story they tell is astonishing. From the eye-popping details of player transfers including Neymar Jr, Pogba and Coutinho, to the loopholes and opaque tax structures that ensure maximum earnings for players and agents alike, this is a tale rife with rapacious greed and questionable deals. At the same time, it is the gripping story of a fan who wanted to free football from its corrupt overlords - and now finds himself on the run. Introduces readers to the development of women's soccer, as well as the sport's star players from past to present. Colorful spreads, fascinating sidebars, and athlete bios make this a thrilling read for young sports fans. Neymar da Silva Santos Junior is the new global football superstar, already acclaimed as 'the next Pelé'. He is the player everyone wants to watch in the 2014 World Cup in Brazil, his home country. With Santos, the team where Pelé played, he has reached three national Championships and has twice been elected the best player in South America. With Barcelona, which signed him for 57 million euros, he will flourish alongside Leo Messi to become one of the most lethal partnerships in football's history. Luca Caioli, author of bestselling biographies of Messi and Ronaldo, reconstructs Neymar's life and career through exclusive private access to his friends, his family, his coaches, his teammates, his advisors, his fans. This is the first book

about a new world footballing icon. WINNER OF THE FOOTBALL BOOK OF THE YEAR AT THE BRITISH SPORTS BOOK AWARDS SHORTLISTED FOR THE 2016 WILLIAM HILL SPORTS BOOK OF THE YEAR 'This football book is about something even more important than the "beautiful game"; it is a story of the human spirit.' - Mick Hume, The Times

Adrian Doherty was not a typical footballer. For one thing, he was blessed with extraordinary talent. Those who played alongside and watched him in the Manchester United youth team in the early 1990s insist he was as good as Ryan Giggs - possibly even better. Giggs, who played on the opposite wing, says he is inclined to agree. Doherty was also an eccentric - by football standards, at least. When his colleagues went to Old Trafford to watch the first team on Saturday afternoons, he preferred to take the bus into Manchester to go busking. He wore second-hand clothes, worshipped Bob Dylan, read about theology and French existentialism and wrote songs and poems. One team-mate says "it was like having Bob Dylan in a No 7 shirt". On his 17th birthday, Doherty was offered a five-year contract - unprecedented for a United youngster at that time - and told by Alex Ferguson that he was destined for stardom. But what followed over the next decade is a tale so mysterious, so shocking, so unusual, so amusing but ultimately so tragic, that you are left wondering how on earth it has been untold for so long. The stories of Doherty's contemporaries, that group of Manchester United youngsters who became known as the "Class of '92", are well known. Giggs ended up as the most decorated player in United's history; David Beckham became the most recognisable footballer on the planet; Gary Neville, Paul Scholes and others are household names. The story you don't know is about the player who, having had the world at his feet, died the day before his 27th birthday following an accident in a canal in Holland. Describes the racial prejudice experienced by Jackie Robinson when he joined the Brooklyn Dodgers and became the first Black player in Major League baseball and depicts the acceptance and support he received from his white teammate Pee Wee Reese. 'Excellent and compellingly honest' Alyson Rudd, The Times

In I Love This Game, the long-awaited autobiography of Patrice Evra, the former Manchester United and France star looks back on a remarkable life and career. Having played alongside some of the club's greatest legends, such as Ryan Giggs, Cristiano Ronaldo, Wayne Rooney and Paul Scholes, in one of United's most successful eras, Evra has now found a new role as an in-demand pundit and social media star. But, as he reveals in this frank, often shocking, but always compelling memoir, beneath the surface things were not so simple, and he had to fight all the way to get to the top. Initially, it was football that saved him from being sucked into the gang culture of his tough neighbourhood of Les Ulis in the suburbs of Paris. Then, once he achieved his dream of becoming a professional, he had to deal with racism and a notorious dispute with Luis Suarez; he also became a central figure in the infamous 'strike' by the France national team in the 2010 World Cup; and there was the moment he launched

an attack against a Marseille fan while warming up. 'I Love This Game' has become Evra's catchphrase. Throughout this wonderful book, his passion for his sport shines through and there are revealing and entertaining behind-the-scenes insights about the players and managers he's worked with, from Sir Alex Ferguson to Paul Pogba, who knows him as Uncle Pat. With infectious enthusiasm and sharp observation, Evra takes the reader where few football autobiographies dare to tread. FROM THE BESTSELLING AUTHOR OF MESSI AND RONALDO A dynamic and commanding presence both on and off the pitch, Paul Pogba is rarely out of the public eye. But did you know that Barcelona came close to sealing a deal for the midfielder a year before he returned to Manchester United? Or that he first performed his famous 'Dab' celebration in December 2015, after scoring against Carpi in Serie A? Or that, as a child, Pogba chose to go by the nickname 'The Pickaxe'? Find out about all this and more in Luca Caioli and Cyril Collot's tirelessly researched biography, featuring exclusive interviews with those who know him best. Includes all the action from the 2017/18 season and the 2018 World Cup This title focuses on the history of Soccer and gives information related to its origins, fun facts, and superstars like Lionel Messi. This hi-lo title is complete with epic and colorful photographs, simple text, glossary, and an index. Aligned to Common Core Standards and correlated to state standards. Fly! is an imprint of Abdo Zoom, a division of ABDO. Tracing Millay's life from her youth in Maine to the bohemian fervor of her early adulthood in Greenwich Village and Paris, this fascinating biography will captivate middle grade readers. 'Excellent . . . an in-depth excavation of the murky and mysterious world of football business. Smith's candid and often shocking book reveals the true workings of football business that take into account things few of us even could even imagine . . . The Deal answers some of those questions and leaves you wanting more. It is an educational tool that most fans could do with researching' Joe Short, Express Football analysis has grown at the same exponential rate as the sport's popularity and yet one of its most intrinsic elements remains tantalisingly opaque: the role of 'agent'. The Deal is a unique and fascinating perspective into the business of sports management through the eyes of 'Mr Football', 'super-agent', Jon Smith. 800,000 watch their professional football team play each week and TV pulls in audiences of around 600 million. Despite these phenomenal figures, the complex money-making scene behind sport is one of its biggest mysteries. The Deal will be an unprecedented insight into this world, showing what goes on as players and big money change hands. The Deal is also the story of one of the shrewdest and most successful businessmen of our time. Documented through Jon's personal rollercoaster of high-flying success to near bankruptcy, the book's over-arching narrative will offer an inspiring personal journey as well as insider knowledge of brokering deals at a high level and under extreme pressure. The Deal will appeal strongly to buyers of business books as well as a significant number of sports fans interested to know what goes on in the back room of their favourite sport. From Lionel Messi to Carli Lloyd, Superstars of the World Cup introduces readers to some of the greatest sports players in the World Cup. Vivid

Cody Koala is an imprint of Pop!, a division of ABDO. "The odds of the Foxes winning the Premier League at the start of the season were the same as the Yeti or the Loch Ness Monster being proven to exist, Christmas being the warmest day of the year in England or Barack Obama playing cricket for England after he left the Oval Office." —ESPN On March 21, 2015, Leicester City lost their sixth game in eight matches. Without a victory for two months, they were rock bottom of the English Premier League, heading for certain relegation to the lower division, and about to miss out on a once-in-a-lifetime financial bonanza of TV money and opportunity. As usual, London and Manchester would clean up, the rich would get richer, and the hopes of the small, overlooked, multicultural city would sink. But Leicester started to win. They stayed up; and in the new season they kept on winning. Favorites for relegation, rank outsiders as potential champions (their 5000–1 odds were the longest in the world for any major sporting event), their entire squad had been assembled for less than the cost of a single player for Manchester City. Still, they beat Manchester City and Liverpool, Tottenham and Chelsea: the most incredible cast of written-offs, grafters, misfits, and journeymen came together for the season of their lives. This is the story every underdog dreams of, every small town with a much larger, more affluent neighbor hopes for, and a triumph that defies logic and expectation. Neymar the Wizard is the fascinating coming-of-age story of Neymar da Silva Santos Junior, the skinny kid from Mogi das Cruzes, who has been called the next Pelé. Neymar has taken Brazil and the world by storm and continues to inspire millions of fans around the world with his talent, heart, and winning smile. Following the international bestsellers, *The Flea* the Amazing Story of Leo Messi and *Ronaldo The Rise of a Winner*,

by Michael Part, Neymar The Wizard is the heartwarming and emotional story of a father and son, who, against all odds, made the journey from the edge of poverty, to international stardom, through love, conviction, and a young boy's belief in himself. When Ole Gunnar Solskjaer returned to Old Trafford as caretaker manager midway through the 2018-19 season, he breathed new life into a team that was drifting. In this new and definitive biography, Jamie Jackson investigates why he was the perfect man for the job to bring back the glory days. After the confusion under David Moyes, the stagnation of Louis van Gaal and the growing trauma under Jose Mourinho, Manchester United were a club increasingly struggling to challenge for major honours, something the fans had been accustomed to during the reign of Sir Alex Ferguson. So when Ole Gunnar Solskjaer, a match-winning hero of the Reds' great Treble-winning side returned to Old Trafford on 19 December 2018 as caretaker manager, he was welcomed with open arms. Here was a man who understood what it was that the fans demanded, and he had a plan to give it to them. They went on a record-breaking run of victories that secured him the position on a permanent basis, before old frailties re-emerged, showing the scale of the job he had always dreamed of taking on. During the summer transfer window, he began a dramatic reshaping of the team's personnel to set them up for the 2019-20 season. The Red Apprentice, Jamie Jackson's fascinating biography of Solskjaer, takes the reader back to the Norwegian's early days to discover the making of the man, relives the highlights of a stunning playing career - and that Champions League-clinching goal in 1999 - and explains why he is the natural choice for United in the future. Meet Sadio Mané - Ultimate Football Hero Sadio Mané is one of Liverpool FC's 'Fab Four'. Along with Mo Salah, Roberto Firmino and Xherdan Shaqiri, Sadio's goals have helped make Liverpool the deadliest attacking team in the Premier League. Since he moved to the Premier League, Sadio has been setting the bar to new heights - from scoring the fastest hat-trick in history to becoming the most expensive African footballer ever. There is no stopping the Fab Four, and the sky is the

limit for Sadio Mané. Ultimate Football Heroes is a series of biographies telling the life-stories of the biggest and best footballers in the world and their incredible journeys from childhood fan to super-star professional player. Written in fast-paced, action-packed style these books are perfect for all the family to collect and share. 'Football looked at in a very different way' Pat Nevin, former Chelsea and Everton star and football media analyst Football - the most mathematical of sports. From shot statistics and league tables to the geometry of passing and managerial strategy, the modern game is filled with numbers, patterns and shapes. How do we make sense of them? The answer lies in the mathematical models applied in biology, physics and economics. Soccermaths brings football and mathematics together in a mind-bending synthesis, using numbers to help reveal the inner workings of the beautiful game. This new and expanded edition analyses the current big-name players and teams using mathematics, and meets the professionals working inside football who use numbers and statistics to boost performance. Welcome to the world of mathematical modelling, expressed brilliantly by David Sumpter through the prism of football. No matter who you follow - from your local non-league side to the big boys of the Premiership, La Liga, the Bundesliga, Serie A or the MLS - you'll be amazed at what mathematics has to teach us about the world's favourite sport. FROM THE BESTSELLING AUTHOR OF RONALDO AND NEYMAR. Prolific, cool-headed and unerringly consistent, Lionel Messi is one of the most revered footballers in history. But did you know that his transfer to Barcelona was first agreed on a paper napkin? Or that an x-ray of his hand was to thank for identifying his growth hormone deficiency? And do you know why he refused to collect his first ever Champions League winner's medal? Find out all this and more in Luca Caioli's classic portrait of a footballing icon, featuring exclusive interviews with those who know him best and even Messi himself. Class of 92: Out of Their League, however, opens a dramatic new chapter in the story of former Manchester United greats Gary and Phil Neville, Paul Scholes, Ryan Giggs and Nicky Butt, as they take on a new role in each of their lives: owners of semi-professional club Salford City FC. An enthralling, in-depth account of

Salford's first two years under new ownership, *Class of 92: Out of Their League* combines first-hand accounts from Gary, Phil, Paul, Ryan and Nicky as they try to turn round the club's fortunes, along with a wider story of tremendous athletic and human drama. Featuring colourful characters like managers Anthony Johnson and Bernard Morley, star players, club chairman Karen Baird, lifelong fans, and more, this is a story told with real authenticity and grit. Accompanying the second series of the hugely popular BBC series, *Class of 92: Out of Their League* is both a testament to the best of modern football and a brilliant reminder, in an era when fans are threatening walkouts over rising ticket prices, of what football is really all about.
