Principles of Medicine in Africa Dec 08 2021

The World and a Very Small Place in Africa Mar 19 2020 The World and a Very Small Place in Africa is a fascinating look at how contacts with the wider world have affected how people have lived in Niimi, a small and little-known region at the mouth of West Africa's Gambia River, for over a thousand years. Drawing on archives, oral traditions and published works, Donald R. Wright connects world history with real people on a local level through an exploration of how global events have affected life in Niimi. Thoroughly revised and updated throughout, this new edition rests on recent thinking in globalization theory, reflects the latest historiography and has been extended to the present day through discussion of the final years of Gambian President Yahya Jammeh's regime, the role of global forces in the events of the 2016 presidential elections and the changes that resulted from these elections. The book is supported throughout by photographs, maps and Perspectives boxes that present detailed information on such topics as Alex Haley's Roots (part set in Niimi), why Gambians take the risky "back way" to reach Europe, or "Wiri-Wiri," the Senegalese soap that has Gambians' attention. Written in a clear and personal style and taking a critical yet sensitive approach, it remains an essential resource for students and scholars of African history, particularly those interested in the impact of globalization on the lives of real people.

Personal Selling Aug 24 2020 Outlining 10 steps in the personal selling process—from prospecting for new business to closing a deal—this guide explains the art of the sale. The importance of listening to customers, clarifying the difference between selling a product and a service, and emphasizing the importance of business ethics are revealed. Descriptions of the options available to those seeking a career in sales are included, as is an exploration of the impact of the sales profession on the economy, and a reminder that all jobs require some amount of selling.

Addressing Barriers to Learning Sep 24 2020 It covers a wider spectrum of barriers to learning than Engelbrecht's *Inclusive Education in SA*. The title covers the content of the Education White Paper 6.

Media Studies Apr 19 2020 Exploring the media as an institution, this volume also introduces the topics of media regulation and content. The nature of communications policy is explained, following overviews of internal and external

media regulation. Strategic ways of managing the media are discussed in addition to the guide's analysis of the ways that media presents issues of identity, race, gender, sexual orientation, the environment, AIDS, and terrorism.

A History of Modern Africa Aug 16 2022 The new, fully-updated edition of the acclaimed textbook covering 200 years of African history *A History of Modern Africa* explores two centuries of the continent's political, economic, and social history. This thorough yet accessible text help readers to understand key concepts, recognize significant themes, and identify the processes that shaped the modern history of Africa. Emphasis is placed on the consequences of colonial rule, and the links between the precolonial and postcolonial eras. Author Richard Reid, a prominent scholar and historian on the subject, argues that Africa's struggle for economic and political stability in the nineteenth century escalated and intensified through the twentieth century, the effects of which are still felt in the present day. The new third edition offers substantial updates and revisions that consider recent events and historiography. Greater emphasis is placed on African agency, particularly during the colonial period, and the importance of the long-term militarization of African political culture. Discussions of the postcolonial period have been updated to reflect recent developments, including those in North Africa. Adopting a long-term approach to current African issues, this text: Explores the legacies of the nineteenth century and the colonial period in the context of the contemporary era Highlights the role of nineteenth century and long-term internal dynamics in Africa's modern challenges Combines recent scholarship with concise and effective narrative Features maps, illustrations, expanded references, and comprehensive endnotes *A History of Modern Africa: 1800 to the Present, 3rd Edition* is an excellent introduction to the subject for undergraduate students in relevant courses, and for general readers with interest in modern African history and current affairs.

Africa A-Z Nov 26 2020 Africa is a vast continent whose population is fast approaching one billion. Africa also has more politically independent states than any other continent. *Africa A-Z* attempts to provide, in a concise manner, the facts for an elementary understanding of the continent and its complex issues. The book falls into two main sections. The five chapters in the first section focus on the continent as a whole, dealing with its physical and human diversity, its eventful history and Africans' struggle for economic survival. The second main section contains profiles of 57 independent and non-independent countries, ranging from Algeria to Zimbabwe.

Criminal Law in South Africa Oct 18 2022

Rome in Africa Nov 19 2022 Nearly three thousand years ago the Phoenicians set up trading colonies on the coast of North Africa, and ever since successive civilizations have been imposed on the local inhabitants, largely from outside. Carthaginians, Romans, vandals, Byzantines, Arabs, TUrks, French and Italians

have all occupied the region in their time. The Romans governed this part of Africa for six hundred cities, twelve thousand miles of roads and hundreds of aqueducts, some fifty miles long. The remains of many of these structures can be seen today. At the height of its prosperity, during the second and third centuries AD, the area was the granary of Rome, and produced more olive oil than Italy itself. The broadening horizons of the Roman Empire provided scope for the particular talents of a number of Africa's sons: the writers Terence and Apuleius; the first African Roman Emperor Septimius Severus, famous Christian theologians like Tertullian and Saint Augustine - these are just some who rose to meet the challenges of their age.

Africa in World History Mar 11 2022 ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Provides a view of African history in the wider context of world history. Africa in World History is the first comprehensive survey to illustrate how Africans have influenced regions beyond their continent's borders, how they have been influenced from the outside and how internal African developments can be compared to those elsewhere in the world. By identifying and presenting key debates within the field of African history, this volume encourages students to confront the many oversimplified myths regarding Africa and its people. Note: MySearchLab does not come automatically packaged with this text. To purchase MySearchLab at no extra charge, please visit www.MySearchLab.com or use ISBN: 9780205098491.

The Law of Delict in South Africa Dec 28 2020 "The book is a true student textbook that combines a strong theoretical foundation with a practical applied approach. A clear, concise yet rigorous introduction to the general principles of delictual law. Revised and updated, the second edition focuses more strongly on problem solving application. The text supports learning and the development of independent academic skills through various learning features which bring an applied, critical and reflective approach to the content. The structure of the book reflects the logical and systematic process of enquiry that is followed when

assessing or preparing for a delictual matter, and it reflects clearly the distinctions between the Aquilian action, Germanic action and Actio iniuriarum. Pedagogically developed as a learning resource for students with varying backgrounds and skills levels. Supported by ancillary teaching materials which assist in teaching and learning."--Publisher's website.

Economics Apr 12 2022

South Africa Dec 16 2019 South Africa: The Rise and Fall of Apartheid examines the history of South Africa from 1948 to the present day, covering the introduction of the oppressive policy of apartheid when the Nationalists came to power, its mounting opposition in the 1970s and 1980s, its eventual collapse in the 1990s, and its legacy up to the present day. Fully revised, the third edition includes: new material on the impact of apartheid, including the social and cultural effects of the urbanization that occurred when Africans were forced out of rural areas analysis of recent political and economic issues that are rooted in the apartheid regime, particularly continuing unemployment and the emergence of opposition political parties such as the Economic Freedom Fighters an updated Further Reading section, reflecting the greatly increased availability of online materials an expanded set of primary source documents, providing insight into the minds of those who enforced apartheid and those who fought it. Illustrated with photographs, maps and figures and including a chronology of events, glossary and Who's Who of key figures, this essential text provides students with a current, clear, and succinct introduction to the ideology and practice of apartheid in South Africa.

Frommer's South Africa Jan 17 2020 Meticulously researched and beautifully written by a South African native, Frommer's South Africa, 3rd Edition, should be the discerning reader's only guide to a memorable trip to southern Africa, including the lion-rich reserves of Botswana and the wonders of Victoria Falls. It offers complete safari coverage, from what to wear to the top game lodges to tracking tips from professional safari trackers. But there's so much more: An exploration of Cape Town, perhaps the world's most beautiful city, surrounded by mountains and sea, and the nearby picturesque Winelands country; Whale-watching and eating seafood on the Western Cape; Walking through carpets of flowers in Namaqualand plains after the first spring rains; Rafting or surfing the churning waters of the Zambezi River. Frommer's South Africa, 3rd Edition, gives you all that and much more, from the best places to stay and eat to expert advice on getting there, getting around, and having the trip of a lifetime!

The History of Africa Jun 02 2021 There is a paradox about Africa: it remains a subject that attracts considerable attention yet rarely is there a full appreciation of its complexity. African historiography has typically consisted of writing Africa for Europe—instead of writing Africa for itself, as itself, from its own perspectives. The History of Africa redresses this by letting the perspectives of Africans themselves take center stage. Authoritative and comprehensive, this book provides

a wide-ranging history of Africa from earliest prehistory to the present day—using the cultural, social, political, and economic lenses of Africa as instruments to illuminate the ordinary lives of Africans. The result is a fresh survey that includes a wealth of indigenous ideas, African concepts, and traditional outlooks that have escaped the writing of African history in the West. The new edition includes information on the Arab Spring, the rise of FrancAfrica, the presence of the Chinese in Africa, and the birth of South Sudan. The chapters go up to the present day, addressing US President Barack Obama's policies toward Africa. A new companion website provides students and scholars of Africa with access to a wealth of supporting resources for each chapter, including images, video and audio clips, and links to sites for further research. This straightforward, illustrated, and factual text allows the reader to access the major developments, personalities, and events on the African continent. This groundbreaking survey is an indispensable guide to African history.

Corporate Finance Feb 27 2021 "Corporate Finance: A South African perspective 2e takes a fresh principles-based approach to the study of financial management. It is aimed at second and third-year students following courses in financial management in BCom or BBusSc degree programmes. The book explains financial management concepts and practice in an accessible and concise way, while supporting students with plenty of practice examples and illustrations of real-life application." --Publisher's description.

Modern Africa Jan 09 2022 Basil Davidson's famous book -- now updated in a welcome Third Edition -- reviews the social and political history of Africa in the twentieth century. It takes the reader from the colonial era through the liberation movements to independence and beyond. It faces squarely the disappointments and breakdowns that have dulled the early successes of the post-colonial era; yet, for all the sorrows and uncertainties of Africa today, Basil Davidson shows how much has been achieved since decolonization, and the mood of his new final chapter is hopeful and buoyant.

African Development Aug 04 2021 This fully updated edition reflects the recent development success experienced in Africa, as well as the growing divergence between countries that are engaging with the global economy and those that remain more insular.

Historical Dictionary of Niger Feb 10 2022 Sitting on the cusp between Mediterranean and sub-Saharan Africa, Niger is in many ways a remarkable place, blending in the harsh Sahelian environment a great diversity of cultures and lifestyles to make up a poor but resilient nation. The country was established in the early 20th century in what used to be the busy crossroad of exchanges between the kingdoms and empires of West Africa and the Arab-Islamic world. The resulting melting pot is a blend of Western Sudanic cultures, manifest in particular in its food, music, and dance, as well as in the enduring rituals and practices of animist

religions, along with a good deal of Arab culture imported through the Islamic religion and a dash of French culture. The fourth edition of the Historical Dictionary of Niger covers the history of the peoples of the Republic of Niger from medieval times to the present. This is done through a chronology, an introductory essay, and an extensive bibliography. The dictionary section has over 700 cross-referenced entries covering elements of pre-colonial and colonial history, recent politics, cinema, literature, religion, economics, and finance. This book is an excellent access point for students, researchers, and anyone wanting to know more about Niger.

Clinical Law in South Africa Jul 23 2020

Africans Oct 26 2020 An updated and comprehensive single-volume history covering all periods from human origins to contemporary African situations.

An Introduction to African Politics Sep 05 2021 An Introduction to African Politics is the ideal textbook for those new to the study of this vast and fascinating continent. It makes sense of the diverse political systems that are a feature of Africa by using familiar concepts, chapter by chapter, to examine the continent as a whole. The result is a textbook that identifies the essential features of African politics, allowing students to grasp the recurring political patterns that have dominated this part of the world since independence. Features and benefits of the book include: * thematically organised, with individual chapters exploring issues such as colonialism, ethnicity, nationalism, social class, ideology, legitimacy, sovereignty, and democracy * identifies the key recurrent theme of competitive relationships between the African state, its civil society, and external interests * contains useful boxed case studies of key countries at the end of each chapter, including: Kenya; Tanzania; Nigeria; Botswana; Ivory Coast; Uganda; Somalia; Ghana; Zaire; and Algeria * each chapter concludes with key terms and definitions as well as questions, advice on further reading, and useful notes and references * clearly and accessibly written by an experienced teacher of the subject.

On Route in South Africa Oct 14 2019 From Pofadder, eMkhuzi and Haenertsburg to Cookhouse, Klipplaat, Maokeng and Taung ? South Africa's amazing diversity is an invitation to take to the road. This revised and updated edition of On Route in South Africa has a new, contemporary look, but contains all the features that have made it such a classic. Previous editions won a special place in the hearts of those both living in, and visiting, South Africa. No other book available offers such a range and depth of information about the villages, towns and cities of this land, and on the intriguing and informative tales they have to tell.

The South African Law of Evidence Oct 06 2021

The Law of Contract in South Africa Jan 21 2023

Writing for the Media May 21 2020

Citizenship Law in Africa: 3rd Edition Dec 20 2022 Few African countries provide for an explicit right to a nationality. Laws and practices governing

citizenship effectively leave hundreds of thousands of people in Africa without a country. These stateless Africans can neither vote nor stand for office; they cannot enrol their children in school, travel freely, or own property; they cannot work for the government; they are exposed to human rights abuses. Statelessness exacerbates and underlies tensions in many regions of the continent. *Citizenship Law in Africa*, a comparative study by two programs of the Open Society Foundations, describes the often arbitrary, discriminatory, and contradictory citizenship laws that exist from state to state and recommends ways that African countries can bring their citizenship laws in line with international rights norms. The report covers topics such as citizenship by descent, citizenship by naturalisation, gender discrimination in citizenship law, dual citizenship, and the right to identity documents and passports. It is essential reading for policymakers, attorneys, and activists. This third edition is a comprehensive revision of the original text, which is also updated to reflect developments at national and continental levels. The original tables presenting comparative analysis of all the continent's nationality laws have been improved, and new tables added on additional aspects of the law. Since the second edition was published in 2010, South Sudan has become independent and adopted its own nationality law, while there have been revisions to the laws in Côte d'Ivoire, Kenya, Libya, Mali, Mauritania, Namibia, Niger, Senegal, Seychelles, South Africa, Sudan, Tunisia and Zimbabwe. The African Commission on Human and Peoples' Rights and the African Committee of Experts on the Rights and Welfare of the Child have developed important new normative guidance.

Myles' Textbook for Midwives E-Book Jul 15 2022 The most-popular midwifery textbook in the world! The sixteenth edition of this seminal textbook, *Myles Textbook for Midwives*, has been extensively revised and restructured to ensure that it reflects current midwifery practice, with an increased focus on topics that are fundamental to midwifery practice today. Well illustrated to assist visual learning Boxes highlighting significant information to aid study Introduction, Aims of the chapter and Conclusion for each chapter References, Further Reading and Useful websites to promote further learning Glossary of terms and acronyms provide simple definition of more complex terminologies Additional online resources Over 500 multiple-choice questions enable students to test their knowledge Unlabelled illustrations help reinforce learning Full image bank of illustrations to make study more visual and assist with projects. Up-to-date guidance on professional regulation, midwifery supervision, legal and ethical issues, risk management and clinical governance Recognises that midwives increasingly care for women with complex health needs, in a multicultural society Increases confidence in empowering women to make appropriate choices Looks at the dilemmas involved in caring for women with a raised body mass index Chapter on optimising care of the perineum for women with perineal trauma, including those who have

experienced female genital mutilation Additional coverage of basic neonatal resuscitation, to reflect the trend for midwives to carry out the neonatal physiological examination Streamlined chapters with similar themes and content, to facilitate learning Full colour illustrations now used throughout the book, in response to student feedback.

History of Africa Feb 16 2020 This fourth edition of this best-selling core history textbook offers a richly illustrated, single volume, narrative introduction to African history, from a hugely respected authority in the field. The market-leading range of illustrated material from prior editions is now further improved, featuring not only additional and redrawn maps and a refreshed selection of photographs, but the addition of full colour to make these even more instructive, evocative and attractive. Already hugely popular on introductory African History courses, the book has been widely praised for its engaging and readable style, and is unrivalled in scope, both geographically and chronologically – while many competitors limit themselves to certain regions or eras, Shillington chronicles the entire continent, from prehistory right up to the present day. For this new edition, both content and layout have been thoroughly refreshed and restructured to make this wealth of material easily navigable, and even more appealing to students unfamiliar with the subject. New to this Edition: - Now in full colour with fresh new design - Part structure and part intros added to help navigation - New and improved online resources include a new testbank, interactive timelines, lecturer slides, debates In African history, essay questions and further readings - Revised and updated in light of recent research

Africa South of the Sahara May 01 2021 This authoritative, widely adopted text provides a broad introduction to the geography of Africa south of the Sahara. The book analyzes the political, economic, social, and environmental processes that shape resource use and development in this large, diverse region. Students gain a context for understanding current development debates and addressing questions about the nature and sustainability of contemporary changes. Timely topics include the rise of foreign investment in Africa, the evolving geographies of rural-urban linkages, the birth of the Republic of South Sudan, and advances in the struggle against HIV/AIDS. New to This Edition: *Fully updated to reflect the latest data and trends in development. *Chapters on development theory, cultural and societal diversity, the political geography of postindependence Africa, economic integration, and the geography of poverty. *Substantially revised coverage of gender dynamics, urban living environments, mineral and energy resources, and many other topics. *Many of the 200+ maps, graphs, tables, and photographs are new or updated. Pedagogical Features Include: *Vignettes in every chapter that provide detailed case studies from a variety of countries and elaborate on key concepts. *Recommendations for further reading on each topic, including print and online sources. *Downloadable PowerPoint slides of all original figures, photos,

and tables. *An extensive glossary.

Epidemiology Sep 17 2022 *Epidemiology: A Research Manual for South Africa* maintains the focus on epidemiology as a discipline and incorporates the changes in policy as well as new findings and research methodologies. The only South African book dealing with epidemiology as a discipline.

Politics and Society in Contemporary Africa Nov 07 2021 Africa has undergone significant political, economic, and social change since the first edition of this book was published in early 1988. Now revised and updated throughout, this new edition includes current economic, social, and political data, as well as entirely new sections on the dismantling of apartheid, civil society, democratization and multiparty politics, economic reform and structural adjustment, and the prospects for African development in the twenty-first century. Review comments on the first edition: 'Required reading for any course on politics and society of the African continent' West Africa. 'The best available textbook on the subject ... this volume stands unchallenged in its comprehensiveness and sophistication.' - Choice

Citizenship Law in Africa: 3rd Edition Mar 31 2021 Few African countries provide for an explicit right to a nationality. Laws and practices governing citizenship effectively leave hundreds of thousands of people in Africa without a country. These stateless Africans can neither vote nor stand for office; they cannot enrol their children in school, travel freely, or own property; they cannot work for the government; they are exposed to human rights abuses. Statelessness exacerbates and underlies tensions in many regions of the continent. *Citizenship Law in Africa*, a comparative study by two programs of the Open Society Foundations, describes the often arbitrary, discriminatory, and contradictory citizenship laws that exist from state to state and recommends ways that African countries can bring their citizenship laws in line with international rights norms. The report covers topics such as citizenship by descent, citizenship by naturalisation, gender discrimination in citizenship law, dual citizenship, and the right to identity documents and passports. It is essential reading for policymakers, attorneys, and activists. This third edition is a comprehensive revision of the original text, which is also updated to reflect developments at national and continental levels. The original tables presenting comparative analysis of all the continents nationality laws have been improved, and new tables added on additional aspects of the law. Since the second edition was published in 2010, South Sudan has become independent and adopted its own nationality law, while there have been revisions to the laws in Cte d'Ivoire, Kenya, Libya, Mali, Mauritania, Namibia, Niger, Senegal, Seychelles, South Africa, Sudan, Tunisia and Zimbabwe. The African Commission on Human and Peoples Rights and the African Committee of Experts on the Rights and Welfare of the Child have developed important new normative guidance.

Decolonising Journalism Education in South Africa Nov 14 2019 This book is the culmination of several years of collaborative work. It is a unique contribution to

the field of journalism because of the depth and variety of contributions it makes to the field. The scholars who contribute to this volume respond to the great need to rethink journalism from various perspectives including journalism training, research, the contents of the news media, language, media ethics, the safety of journalists and gender inequities in the news media. In doing this, they recognise how the societies that journalism address should themselves change.

Citizenship Law in Africa May 13 2022 Few African countries provide for an explicit right to a nationality. Laws and practices governing citizenship leave hundreds of thousands of people in Africa without a country to which they belong. Statelessness and discriminatory citizenship practices underlie and exacerbate tensions in many regions of the continent, according to this report by the Open Society Institute. **Citizenship Law in Africa** is a comparative study by the Open Society Justice Initiative and Africa Governance Monitoring and Advocacy Project. It describes the often arbitrary, discriminatory, and contradictory citizenship laws that exist from state to state, and recommends ways that African countries can bring their citizenship laws in line with international legal norms. The report covers topics such as citizenship by descent, citizenship by naturalization, gender discrimination in citizenship law, dual citizenship, and the right to identity documents and passports. It describes how stateless Africans are systematically exposed to human rights abuses: they can neither vote nor stand for public office; they cannot enroll their children in school, travel freely, or own property; they cannot work for the government.--Publisher description.

Environmental Management in South Africa Jan 29 2021

The Scramble for Africa Jun 14 2022 In 1870 barely one tenth of Africa was under European control. By 1914 only about one tenth – Abyssinia (Ethiopia) and Liberia – was not. This book offers a clear and concise account of the ‘scramble’ or ‘race’ for Africa, the period of around 20 years during which European powers carved up the continent with little or no consultation of its inhabitants. In her classic overview, M.E. Chamberlain: Contrasts the Victorian image of Africa with what we now know of African civilisation and history Examines in detail case histories from Egypt to Zimbabwe Argues that the history and background of Africa are as important as European politics and diplomacy in understanding the 'scramble' Considers the historiography of the topic, taking into account Marxist and anti-Marxist, financial, economic, political and strategic theories of European imperialism This indispensable introduction, now in a fully updated third edition, provides the most accessible survey of the ‘scramble for Africa’ currently available. The new edition includes primary source material unpublished elsewhere, new illustrations and additional pedagogical features. It is the perfect starting point for any study of this period in African history.

The Law of Succession in South Africa Jul 03 2021

History of Africa Feb 22 2023 Now fully revised and updated, this classic text

offers an illustrated and critical narrative introduction to the history of Africa from earliest times to the present. Beginning with the evolution of mankind itself, the book traces the history of Africa through the millennia of the ancient world to the centuries of medieval and modern Africa. The clear and simple language and the wealth of carefully chosen maps and photos combine to make an essential and accessible text.

Contemporary Africa Jun 21 2020 This textbook offers a critical introduction to the study of Africa, drawing on scholarship from a range of academic disciplines. A comprehensive discussion of the continent's geography and history provides a backdrop to broad-ranging coverage of its social, economic, political and cultural composition as well as its future prospects. Moreover, moving beyond the all-too-common tendency to view Africa as a single, homogeneous entity, Graham provides a nuanced overview that challenges preconceptions and stereotypes. Written in a sophisticated yet accessible style, and supported by a range of pedagogical features, this book introduces undergraduate students from a range of different disciplinary backgrounds to the contemporary study of Africa.
