Marketing Channel Strategy Sep 15 2022 Marketing Channel Strategy: An Omni-Channel Approach is the first book on the market to offer a completely unique, updated approach to channel marketing. Palmatier and Sivadas have adapted this classic text for the modern marketing reality by building a model that shows students how to engage customers across multiple marketing channels simultaneously and seamlessly. The omni-channel is different from the multi-channel. It recognizes not only that customers access goods and services in multiple ways, but also that they are likely doing this at the same time; comparing prices on multiple websites, and seamlessly switching between mobile and desktop devices. With the strong theoretical foundation that users have come to expect, the book also offers lots of practical exercises and applications to help students understand how to design and implement omni-channel strategies in reality. Advanced undergraduate and graduate students in marketing channels, distribution channels, B2B marketing, and retailing classes will enjoy acquiring the most cutting-edge marketing skills from this book. A full set of PowerPoint slides accompany this new edition, to support instructors.

Business Planning and Market Strategy Dec 26 2020 Business Planning and Market Strategy offers students, entrepreneurs, and executives penetrating insights into developing business plans and market strategies that bolster the odds of succeeding in today's highly competitive marketplace. Rather than reduce the planning process to mechanistic, step-by-step instructions, which promote "thinking inside the box," author E.K. Valentin provides practical planning guidelines that encourage creative strategic problem solving. Drawing on both his business experience and the business literature, he explains not only what entrepreneurs and executives should look at when pondering plans and strategies, but also what they should look for. The book's unique applied perspective, sets Business Planning & Market Strategy apart from conventional "how to" planning guides.

Creating Business and Corporate Strategy Aug 02 2021 Businesses need strategies that determine the direction of functioning and further development. If a company deals with several multifaceted businesses, each of them subsequently requires their own strategy. The issue of strategy creation and realization is a key factor that must receive the closest possible attention. In order to assure victory and be thoroughly prepared for various directions and situations that may arise, companies create their own unique strategies. This book is primarily aimed at suggesting the necessary repertoire of knowledge and skills for strategy creating with the help of the TASGRAM integrated system - Thinking, Analyzing, Strategy, Goals, Risks, Actions, and Monitoring. The main outcome of TASGRAM is a combined strategic table: business strategy, corporate strategy, goals, risks, actions, and monitoring. Each element in TASGRAM has a concrete goal and it helps users become more focused. Creating Business and Corporate Strategy: An Integrated Strategic System offers a new tool for company strategy creation, showcasing various cases and examples based on theory and practice. Unlike the existing tools, the suggested system of strategy creation is simpler and definite. Its main purpose is to help create and further develop the created strategy, making this

book especially valuable to researchers, academics, practitioners, and students in the fields of strategy, leadership, and management.
