Using the experiences of three women in colonial India, Korea and sub-Saharan Africa as case studies, this book explores how professionalism, religion and feminism came together to enable missionary women to become the colleagues and mentors of Western and non-Western men. The editors of the Philosophy and Medicine series recognize with gratitude the foresight, understanding, hard labor, and patience of Prof. Kazumasa Hoshino. It is his perseverance that has made this volume a reality. It was his

faith in ideas that brought together a cluster of scholars in Tokyo on September 2-4, 1994, at Sophia University for a U. S. - Japan Bioethics Congress. With the support of the Foundation for Advancement of International Science, the Japan Foundation Center for Global Partnership, the Foundation of Thanatology, the Japanese Center for Quality of Life Studies, and Sophia University, scholars from Canada, Germany, Japan, and the United States were able to explore the differences and similarities in their approaches to bioethics and health care policy. That conference first produced a volume through Shibunkaku Publishers of Kyoto that appeared in 1995 in Japanese: The Dignity of Death, edited by Kazumasa Hoshino. Selections from those materials have been reworked for an English audience and now appear, along with new essays, in this volume. The field of comparative bioethics is only in its infancy. We are deeply grateful to Prof. Kazumasa Hoshino, one of the fathers of Japanese bioethics, for having made this volume possible. H. Tristram Engelhardt, Jr. Stuart F. Spicker VII ACKNOWLEDGEMENTS This volume's editors and Kluwer Academic Publishers wish to thank Shibunkaku Press, Kyoto, Japan, for permission to publish, without charge, essays derived from the U. S. No Solitary Effort describes how members of the China Inland Mission engaged the tribes of Southwest China as part of their comprehensive plan to evangelize all of China from 1865 to 1951. That endeavor required the combined lifelong efforts of numerous missionaries, spanned several generations, and was invariably affected by events and decisions that occurred thousands of miles from where the actual ministry was taking place. The task was incomplete when the missionaries were forced to leave, but the foundations for the Church which were laid have stood. This book addresses the great challenges to cooperation that faced the missionaries. It also reveals the rich rewards that were obtained by the united efforts of committed Christians who had no timetable for withdrawal, but only an unwavering commitment to work together until the task was accomplished. Synod on Synodality: Is one of the most insidious action ever of a Pope in the history of humanity, since its beginning, which will definitely lead to its ultimate death. The Synod in a true Socio-Marxist-Humanistic spirit rejects the true authority given by Christ to the Church: The ultimate act of destruction of the institution founded by Christ. The Author well versed in these games shows how Francis as Pope, in a way, rejects the elite governing body and reaches out to any untrained humans (apparent empowerment in true Marxist style) in order to surreptitiously arrive at his own predetermined goal through the Synod on Synodality. The author, having been instrumental in exposing such frauds right through his youth, brings out the power game-play at work. In this people are merely used, through lies and intrigues, as a pawn, to achieve one's own insidious agenda, a predetermined end, detrimental to their Salvation. Thus the author analyses the mind-set of Francis to reaffirm the point through

pertinent select examples, to keep the book short and the urgency to reach out palpable. To assuage the faithful the author briefly and logically brings out the reason for such a catastrophic situation in the Church and the way to deal with it. Ultimately, the book doesn't disappoint but consoles one in the right hope that leads to peace. Why wait, pick up a copy of the book now so as to save your soul and of the many. DigiCat Publishing presents to you this special edition of "Three Dramas" by Bjørnstjerne Bjørnson. DigiCat Publishing considers every written word to be a legacy of humankind. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature. A philosopher son comes to grips with his evangelist father's life and ministry, and his passion for winning lost souls. The author situates Percy Crawford within the fundamentalist movement he encountered in 1923, when he came to Los Angeles to get a college education, and instead got converted at Reuben Torrey's Church of the Open Door. The book identifies Crawford's main contributions to fundamentalism at a critical time in its history --the 1930s and '40s-- when it was languishing and marginalized in American life. Crawford was one of the "young men on fire" who effectively used the new medium of radio (and later television) as vehicles for spreading the gospel. His direct and hard-hitting preaching style, together with a high-quality musical program assembled by his wife and life-long partner in evangelism, Ruth, helped to remake the public image of fundamentalism and rekindle the spirit of revivalism. Anders E. Nielsen presents a fresh look on New Testament eschatology by analysing the Gospel of Luke and the Book of Acts. He first of all considers whether ancient literary expressions of farewell motif may or may not lead to an outlook of some sort of transcendental nature, which could play an active role in the composition of the text as read text. He concludes that in a fairly representative number of non-biblical as well as biblical farewell-addresses we do find transcendental outlooks with eschatological implications. Furthermore, these particular outlooks seem to be at work in close relation to the approaching death of the intended speaker of the addresses. Against this background the two major farewell addresses, the one of Jesus in Luke 22 and the one of Paul in Acts 20, are at great length analysed by means of a rhetorical and text-linguistic approach. Anders E. Nielsen divides his exegetical-theological findings into three main-points. First of all the traditional hypothesis of an imminent expectation of the parousia is seen as problematic, because the eschatology in Luke seems to be less a matter of chronology and more a question of quality. Secondly, some of the sayings in a hellenistic work like Luke-Acts may sometimes be free to express a vertical-transcendent aspect with individual-eschatological associations, while other phases are sufficiently vague to call up in the audience both individual and/or collective-eschatological connotations. Thirdly, all this put together suggests that Luke's religious language does in fact not play down

eschatology. On the contrary, Anders E. Nielsen suggests that one can speak of some sort of applied eschatology in the sense that all the relevant expressions in the compositions examined suggest a far more parenetic or prescriptive semantic function than an informative one. In this landmark commentary, Craig R. Koester offers a comprehensive look at a powerful and controversial early Christian text, the book of Revelation. The author provides richly textured descriptions of the book's setting and language, making extensive use of Greek and Latin inscriptions, classical texts, and ancient Jewish writings, including the Dead Sea Scrolls. Rather than viewing Revelation as world-negating, Koester focuses on its deep engagement with social, religious, and economic issues while addressing the book's volatile history of interpretation. The result is a groundbreaking study that provides bold new insights and sets new directions for the continued appreciation of this text. Is all life a result of random processes? We plan our lives and daily routines, but is there a "plan"? Does someone manage individual lives and the order of the universe? The answer for people of faith, of course, is that God controls all things. The logical conclusion of that belief is that He also has a plan for each individual, and a plan for Earth itself. Man was created to have dominion over the planet, to care for it and its creatures. In *For Time and Forever*, Bible authority Henry Morris explores the breadth of what it means to have purpose in God's creation. Besides debunking evolutionary myths, Dr. Morris also answers the cry of man: where do I fit? Does God have a purpose for me? Morris recognizes that since our time is short in terms of life span, we must all work to fulfill the Great Commission: we must recognize the biblical truth that there is an overall plan of salvation and we must work to implement it. Answering age-old questions like "Why do bad things happen?" and "Is there a heaven and a hell?" Morris provides a framework for laymen and scholars alike to see their true purposes. In the beginning of the fifth book of the New Testament, The Acts of the Apostles, the followers of Jesus experience living abundantly (John 10:10). The risen Christ brings a momentous opportunity to His followers. He gives them a promise (the power of the Holy Spirit) and a challenge (to be His witnesses to the ends of the earth). The rest of The Acts of the Apostles describes how Peter, John, Paul and others became witnesses to Christ to the ends of the earth. They accepted the promise and obeyed the challenge to discover the meaning of living abundantly with the Lord Jesus. The Letters of Paul and the other letters of the New Testament continue to explore how the promise and challenge of the risen Christ bring abundant life to us today. The Revelation to John completes the promise of our Savior. *Living Abundantly* is a collection of short meditations that cover the entire text of the second half of the New Testament. Jesus said He would build His church; our job is to follow. The Church of the Open Door calls us to a dynamic, Spirit-filled life as the body of Christ. Warren Wiersbe's study of Acts, the Epistles and Revelation paints a picture of what the church should do and be. The purpose of this study guide is to help seekers and disciples of Christ to grow deeper in their understanding of

what it means to be a true follower of Christ. The commentary, questions, and memory verses are designed to provide a true picture of the character of Christ and true Christian discipleship. As you read and meditate on the content of this book, and aided by the power of the Holy Spirit, your faith and fellowship with Christ will grow and your spiritual life will have greater meaning. Christians in the twenty-first century need encouragement and inspiration to lead lives that honor God. When faith is weak or the pressures of the world seem overwhelming, remembering the great men and women of the past can inspire us to renewed strength and purpose. Our spiritual struggles are not new, and the stories of those who have gone before us can help lead the way to our own victories. *50 People Every Christian Should Know* gives a glimpse into the lives of such people as Charles H. Spurgeon, G. Campbell Morgan, A. W. Tozer, Fanny Crosby, Amy Carmichael, Jonathan Edwards, James Hudson Taylor, and many more. Combining the stories of fifty of these faithful men and women, beloved author Warren W. Wiersbe offers today's readers inspiration and encouragement in life's uncertain journey. As the world races toward the Great Tribulation, immorality among the world's leaders, increased lawlessness, natural disasters, and anarchy many voices have flooded the blogosphere, YouTube and the social networks to interpret the times. Rev. Blair has risen above the unholy chorus to write a series of timeless articles from a biblical perspective to help Christians stand firm in their faith. This collection of short articles taken from his two popular websites give practical application, prophetic insight, and a clear voice to those in power. As prophet, social activist, and pastor, Daniel Blair writes each article with compassion and uncompromising biblical truth to prod every Christian to pick up the banner of truth and walk in holiness before the Lord. Use as a daily devotional or as a timeless resource during the coming distress. In this volume I discuss the need for a genuine Christian life as we face a decline in the church and an apostate faith by many who claim to be Christian. These articles were written to help Christians stand firm by returning to the Bible as their sole authority, which is sufficient for all of life and godliness. This Christian classic, written by an unknown Christian sometime before 1930, is a passionate call to a life of prayer. Knowing that the subject of prayer is a mysterious and foreign concept to many Christians, the author addresses many of the perplexities of this practice, such as... What is prayer? How does one pray? Must we "agonize in prayer"? How does God answer prayer? What hinders our prayer? Who may pray? With many inspiring examples of prayerful preachers and missionaries, the author leaves no doubt that all spiritual growth—all victory, confidence, peace, and communion with God—comes only through the practice of fervent, heartfelt prayer. Turn your weakest, most discouraging moments . . . into your best, most uplifting moments. "Always preach to broken hearts and you will never lack for a congregation," an old saying goes. And for that reason, this book is for everyone because there are many, many things that break our hearts. Sicknesses, spiritual depression, disabilities, painful memories, strained relationships . . . all of these weigh on

Christians' hearts at one time or another. And even when our hearts feel light, there is a longing that runs through us a crying of the soul for eternity, for a new heavens and a new earth. Here is the third of three volumes extending Ben Witherington's innovative socio-rhetorical analysis of New Testament books to the latter-Pauline and non-Pauline corpora. By dividing the volumes according to the socioreligious contexts for which they were written, Witherington sheds fresh light on the documents, their provenance, character and importance. With this final installment in this six-volume set, Dr. Wiersbe has covered the entire Bible! The Author's Note This book does not purport to be an exposition of Ephesians verse by verse, or doctrine by doctrine. Some rich nuggets out of this vast gold mine will not be dug up at all, but left for you to mine for yourself. The book will deal with the content of the epistle rather than its contents. The message will be distinctly personal, for it is written of what one's eyes have seen and ears heard, and what has entered into one's own heart of all those wondrous things which God has prepared for them that love Him. If this message stimulates you to dig deep and to dwell deep in Ephesians, then the most fervent prayer for it will have been answered. The message purposely will be practical. Our desire is to show the essential order in and connection between the first three chapters, which deal with doctrine, and the last three, which deal with experience. We shall see in Ephesians how our wealth is to be manifested in our walk and maintained in our warfare. *Spes Christiana* is the journal of the European Adventist Society of Theology and Religious Studies (EASTRS). Major fields and themes of publication include all that are either related to Adventism in Europe or researched by European Adventist scholars. A Biblical Theology of Christian Discipleship is a spiritual resource that examines the biblical and theological doctrines to do ministry amid challenges and oppositions. The role of the church is to persuade individuals to establish a philosophy of authentic discipleship. This book challenges the church to walk humbly before God as genuine disciples. The primary focus is to carefully follow Christ's mandate of the Great Commission in Matthew 28:18-20, "Go and make disciples." More importantly, the book describes how the church can effectively use different methods and principles to better prepare believers for Christ. This collection of 21 essays in honor of Professor Everett Ferguson focuses on a variety of aspects of the early church and the environment. Mainstream Christian theology has valued the integrity of the body and the goodness of God reflected in creation. However, it has also asserted the

complementarity of "normal" male and female physiology. Sex and Uncertainty in the Body of Christ offers the first systematic theology of the intersexed body. The book analyzes the theological implications of physical intersex conditions and their medical treatment. The medical assumption of what constitutes male and female bodies is shown to raise essential questions about the meaning of incarnation and bodiliness. The book argues for a theology that speaks to stigmatized and marginal bodies, examining the impact of such a theology on sex, marriage, sexuality, perfection, healing, and the resurrected body. Popular narratives cite religion as the driving force behind homophobia in Africa, portraying Christianity and LGBT expression as incompatible. Without denying Christianity's contribution to the stigma, discrimination, and exclusion of same-sex-attracted and gender-variant people on the continent, Adriaan van Klinken presents an alternative narrative, foregrounding the ways in which religion also appears as a critical site of LGBT activism. Taking up the notion of "arts of resistance," Kenyan, Christian, Queer presents four case studies of grassroots LGBT activism through artistic and creative expressions—including the literary and cultural work of Binyavanga Wainaina, the "Same Love" music video produced by gay gospel musician George Barasa, the Stories of Our Lives anthology project, and the LGBT-affirming Cosmopolitan Affirming Church. Through these case studies, Van Klinken demonstrates how Kenyan traditions, black African identities, and Christian beliefs and practices are being navigated, appropriated, and transformed in order to allow for queer Kenyan Christian imaginations. Transdisciplinary in scope and poignantly intimate in tone, Kenyan, Christian, Queer opens up critical avenues for rethinking the nature and future of the relationship between Christianity and queer activism in Kenya and elsewhere in Africa. Let one of the most beloved and respected Bible teachers of our time guide you verse-by-verse through the Scriptures with *The Wiersbe Bible Commentary New Testament*, the trusted reference you'll love to read. A multidisciplinary examination of Moravian Americanization in the Early Republic with a special focus on assimilation, innovation, and racialized segregation. The Church of the Nazarene embraces American attachments to democratic rule, individual initiative, efficiency, and a strong sense of responsibility as "a city on a hill." It is also present in more than 150 world areas. These attributes are reflected in the astounding story of one of the founders of the denomination, H. F. Reynolds, who has been long hidden in the shadow of his early colleague, Phineas Bresee. While the church points to Bresee as its founding father, Reynolds lived and served for an additional two decades following Bresee's death, shaping the role of the General Superintendency, clarifying and expanding the church's Manual to meet the

needs of the growing denomination, and establishing mission policies and practices that took it from a US church to a global presence. Reynolds maintained a lively devotion to Christ as he survived train wrecks, war, dread disease, and the sheer volume of meetings, correspondence, and explosive scandal that came with the nurturing of a new church. His vision and methods have profoundly influenced a denomination that does not know his name. This volume is designed to make the introduction. Do you believe that the fruit is a part of the tree, and vice versa? Do you believe that the tree is intrinsically a part of the seed? Do you believe that the seed is an indwelling component of the fruit? Are the seed, fruit, and tree distinct within themselves, yet connected? If you answered yes to these questions then you have grasped an understanding of the triunity of the Godhead. The theocracy of the kingdom of the Godhead is comprised of three supreme co-eternal and co-existing members. Using this simple, yet profound, analogy, this book explores the triune nature of God the Father, Jesus the Son, and the indwelling Holy Spirit. The mystery of the dynamics of triunity (three yet one), not only exist in the Godhead but exist in creation, in nature, in human experiences, in the spirit realm, and in the ultimate salvation of all mankind. This book will finally answer one of the most mysterious questions of our times--can three be one? How to pray, how to serve, how to overcome, how to love: Jesus taught the disciples these timeless lessons through hands-on experience and powerful parables that resonated in the hearts of multitudes. Most evident in John 13-21, however, is Christ's teaching on the transforming power of joy—how to have it, hold onto it, and never let it go. The more time the disciples spent with Jesus, the deeper their friendships became. The deeper their friendships became, the more they resembled Jesus' character. It was a preparation period for the new reign of the Holy Spirit, who would come to comfort and dwell within them. It was preparation for their callings—the Great Commission. The calling of God's people hasn't changed since then, but you will change as you apply the lessons of this commentary on the greatest teacher who ever lived—Jesus Christ—and hold onto the joy that never forsakes. Take this journey with Dad, Learn how he inspired others to inculcate family and social values and ideals and his influence upon them by his life, deeds, and writings.
