**Why Revival Tarries** Aug 21 2020 For decades, many prophetic words have been released, promising revival to the world. Some of these declarations even include numbers, such as "the billion-soul revival." Most Christians firmly believe that these prophecies are accurate, so they sit back and wait for the coming revival, praying that it will happen soon. But what if we need to do much more than just wait and pray? In *Why Revival Tarries*, Matthew Robert Payne addresses possible reasons for the delay of the coming revival. But rest assured, you will be surprised at the reasons he lists. Hint: This delay has nothing to do with

the unsaved. After listing some of these reasons, this powerful and convicting book wraps up with a word from Jesus and a word from God the Father for the reader. So fasten your seat belt and hang on tight! Prepare for a wild ride and enjoy the journey!

**The Five Fold Ministry** Feb 24 2021 EPHESIANS 4:11-13 NKJV11 And He Himself gave some to be apostles, some prophets, some evangelists, and some pastors and teachers, 12 for the equipping of the saints for the work of ministry, for the edifying of the body of Christ, 13 till we all come to the unity of the faith and of the knowledge of the Son of God, to a perfect man, to the measure of the stature of the fullness of Christ. All of the five fold ministers function like coaches - they demonstrate how the work of the ministry is done, so that the saints may be equipped to do the work of the ministry. God's plan is multiplication of His Kingdom. God's foot soldiers are His people. It is God's will that none should perish, not one. The saying is true, "Shepherds don't have sheep; shepherds tend sheep. Sheep have sheep!" The secret to church growth is equipping the saints to do the work of the ministry, carried along, empowered by the Holy Spirit. The secret to building up the body of Christ is an accessible five fold ministry. The key to seeing the body of Christ united in the faith, and in knowledge, and with a maturity approaching that of Jesus Christ, is the operations of the five fold ministry. The five fold ministers are a wonderful blessing and aid to the Body of Christ. Most exponents are genuine. However there are a few who claim to be five fold ministers who are not. The Body of Christ need not be troubled by these impostors. Within

these pages you will find such quantities of truth as to have received a vaccination forever against error, at least where these ministries are concerned. My aim in writing this book is to equip the saints with a thorough knowledge of what each of these ministries looks like, and the outcomes they can expect in each case. After reading this book even a new Christian should be able to discern between what is true, and what is false. False apostles, false prophets, false evangelists, false shepherds and false teachers are not numerous, but they do exist. So if I can borrow an argument the apostle Paul uses with respect to the spiritual gifts: God would not have us ignorant. 1 CORINTHIANS 13:4-8a, 13 RSV4 Love is patient and kind; love is not jealous or boastful; 5 it is not arrogant or rude. Love does not insist on its own way; it is not irritable or resentful; 6 it does not rejoice at wrong, but rejoices in the right. 7 Love bears all things, believes all things, hopes all things, endures all things. 8 Love never ends ... 13 So faith, hope, love abide, these three; but the greatest of these is love. The word for love used in the King James Version in the above passage is "charity" and on this occasion that translation is helpful. That is to say, when encountering a five fold minister for the first time our attitude should be charitable. We ought to be believing the best, and hoping the best where that ministry is concerned, measuring their output against the Word of God.

**When The Lord Shall Build Up Zion** Dec 05 2021 THIS BOOK WILL INSPIRE YOU TO SEEK TO BE CONFORMED TO THE IMAGE OF CHRIST WHEN THE LORD

SHALL BUILD UP ZION has been birthed out of a burden for the healing of the Church. This book focuses on the need for every Christian to be conformed to the image of Christ that they may reflect His glory on the earth. This hour is critical. There is urgent need to restore apostolic and prophetic ministries in the Church that her foundation may be according to the pattern in the word of God. For the Church to be perfected, the authority of the five-fold ministry that is being undermined or non-existent today ought to be restored. Those that have ears to hear, let them hear what the Spirit is saying to the churches. God will shake everything that can be shaken that those things that cannot be shaken remain (Hebrews 12: 27). Let us dig deep our roots into the word of God that we may stand. For the love of the habitation of our God, let us give ourselves unreservedly to the Lord that He may build His dwelling in the hearts of His people.

Jesus Said, "I Will Build My Church" Jan 26 2021 Where is this church of power that we see in the Book of Acts? Where are the local bodies of believers that manifest the supernatural power of God today? Has the desire to preach the gospel and win souls all but disappeared from the local church? This intense and challenging book seeks to answer the simple question. "How did Jesus intend every local church to be built." It will present the ten most basic principles in the building of every local church. After some 30 years of doing seminars on the 'concept of build' every church that received this teaching has admitted to applying less than two of these principles. As a result, many sitting in the church pews are

just not saved. Further, there is a lack of discipleship to equip the saints to go forth and advance the kingdom of God. The hope of this book is to see a restoration of local churches. Churches that will turn from their traditions and man-made ways of growing a church to building a church that the Lord will take pleasure in and be glorified.

Upon This Rock, Revival of the Five-Fold Ministry Oct 15 2022 Upon This Rock I will Build My Church Jesus says in Matthew 16:18, "And I say also unto thee, that thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it." It was this divine revelation of Jesus being the Christ (Messiah, Anointed One), Son of the Living God, which gave Peter access to the keys of the kingdom. It is by this same revelation that a young monk named Martin Luther would declare and understand that the just shall live by faith, thus beginning a reformation of the church. This book is designed to continue the process of reformation, as in the 16th Century, where a partial reformation began to take place. Martin Luther, who we now realize was a prophet in his own right, was given a doctorate of theology at the University of Wittenberg (Germany) by the Elector Frederick, Duke of Saxony. This degree *Staupitius* was conferred upon him in October 19, 1512. This divine revelation caused him to speak boldly against certain indulgences, such as one could buy a soul from purgatory for ten shillings and not a farthing less. This indulgence was prefabricated in pretense by Pope Leo X, who succeeded after Julius II. This Pope Leo X imposed such ridiculous practices on the pretense of raising

money for war against the Turks. Martin Luther began to oppose the Pope, much like a latter day Amos, who came to Bethel and heralded against King Jeroboam, King of Israel, and Amaziah, the Priest of Bethel. This prophet, Martin Luther, began the genesis of reformation. Martin Luther also was the first to translate the New Testament into the German language, which was September 1522. He studied the works of Desiderius Erasmus who prepared important new Latin and Greek editions of the New Testament. Martin Luther also finished the Pentateuch in 1523, thus completing the entire bible and publishing it in 1530. As we examine history we find that Martin Luther was a step ahead of William Tyndale. His great defiance was enacted as he nailed the 95th Thesis of Contention to the Wittenberg church door, as he declared his intolerance against the Roman Catholic corruption on Halloween night 1517. Martin Luther died of natural causes although he was branded a heretic by the Catholic Church. William Tyndale was not so lucky, and was burned at the stake in the public square (1536). Upon This Rock, Revival of the Five-Fold Ministry 19 As we examine church history we see a clear picture of martyrdom. And in its wake men like John Wycliffe, who was called the morning star of the Reformation era, who 200 years prior criticized abuses and false teaching in the Catholic Church. Yes, John Wycliffe, a professor at Oxford University, was expelled from his teaching position by the Pope, who also after his death exhumed his bones and had them burned. This is the price of Reformation. Let us examine for a brief moment John Huss, using Foxes Book of Martyrs

as our source. John Huss was chosen as the pastor of the Church of Bethlehem in Prague. He also held a position as the Dean of Students and Rector at the University. He along with John Wycliffe were known as the pre-reformers. His teaching and revelation upset the pope, and he was also burned at the stake like so many spirit filled saints of the time period. It is noted in historical data that John Huss was heard singing in the midst of the flames as he went on to glory.

**Apostles Today** Nov 11 2019 Are apostles amongst us today? According to a growing section of the church, the answer is yes. This book investigates and appraises that idea seeking answers to the following questions in the context of the church in the USA and particularly Britain: Is there a robust scriptural justification for the charismatic apostolate (CA) that most charismatic groups are proclaiming? How widespread is this belief and why has it become more commonplace? What kind of apostles are being advocated by influential popular teachers? What does church history and tradition have to offer to this idea? Is there a way to endorse and embrace ecumenically the CA? Does the CA have a future in the universal church? These are important questions to answer for the sake of the church's mission and health.

**Too Busy with Busyness to Hear God** Oct 11 2019 In light of September 11, 2001, we have all come to realize that our world can change in the blink of an eye. In a time of tragedy we tend to turn to the Spiritual and God. It is sometimes frustrating to find that in

our most desperate hour we find no solace because we do not recognize His voice. It is to our detriment that we have allowed our busyness to replace a developed relationship with God. The church of today is attempting to accommodate, entertain and retain people rather than providing real answers to real problems. I believe that this is why the church has not progressed to a greater degree toward the mark of "Gloriousness", which Jesus foretold. Why? The church of this age is so BUSY with the BUSYNESS OF DOING; we cannot hear what God is saying. We have become Human "doings" rather than Human "beings". We have lost the art of LISTENING as well as the courage to simply, DO what God is DOING and SAY what God is SAYING. Two household chores "washing" and "ironing" depict what I'm speaking of in a remarkable manner. How do you remove "spots" and "wrinkles" from clothing? Washing and ironing. But, since the art of doing laundry is a thing of the past we miss this analogy. How do you remove "wrinkles" from clothing? You iron them out. What is ironing? It is the application of heat and pressure, which smoothes out the wrinkles. As we move this into the human arena we are confronted with vehement resistance. We do not like "heat" or "pressure". We live in a push button society and a microwave world. Everything is instant! God instructed Israel during the wilderness journey to not erect permanent structures. Why? They were simply passing through to their ultimate destination. They dwelled in temporary structures and did not amass hordes of things or obligations in life. Many of us are stuck where we are today because we have allowed

ourselves to become overly encumbered by possessions and obligations. We are so enslaved to this world that we can neither hear God nor follow Him completely. It is God's desire to take each believer into His laundry room and prepare us for service. He wants us to realize that just because we are busy at religious things it does not mean that we are spiritual. We need to learn the four causes of burnout and avoid them. It is imperative that we develop "Ears to Hear" in our relationship with God. As we learn the secret of relationship and God's provisions through His covenant we will find restoration to what He designed us to be. It is my desire to see each person free from the bondage of performance so they can enjoy the freedom of relationship.

*Restoring the Five-Fold Ministry* Aug 01 2021 The church represents the largest organization in the world, covering all nations, all cultures, and millions of members. Church leadership, like leadership in any organizations, is of vital importance. However, the difference is that Jesus's model of leadership and use of power and authority can be different from leadership in the world of business. The differences between the fivefold ministry gifts and the leadership of elders and deacons are often misunderstood, and the changing nature of church leadership from biblical roots has resulted in several forms of maladaptive leadership in the church today, the most common being the rise of the pastoral supremacy syndrome, where the focus on the pastoral gift has effectively destroyed the fivefold ministry intended to be God's leadership design. This books is about leadership-

specifically about leadership in God's church.

**Understanding the Fivefold Ministry** Feb 19 2023 How are the apostle, prophet, evangelist, pastor, and teacher supposed to work together to equip the body of Christ? Green explores the five ministry gifts and their expression in the local church.

Five Smooth Stones: Mar 16 2020 Five Smooth Stones is a book about ministry in the Church. It is a comparison of the ministry model as described in the scripture with the one most often in use today. Using the as an allegory the account of David slaying Goliath, the five stones he retrieved from the stream represent the five-fold ministry mentioned in the book of Ephesians chapter 4. The need for members to be "built up" is considered, as well as how the stones represent the building process... in as much as the Hebrew word for stone means "to build." Scripture declares that within the church there are to be five distinct ministries and they are the means by which the church is to be brought to completion (or "perfection" as used in Ephesians). As the church dispensation comes to the completion of its age, the time for completion is at hand and the time for the restoration of all God ordained ministries is at hand as well. The modern church has had for its basis primarily a pastoral ministry emphasis. This book explores the need to move beyond that model and enter into a more apostolic basis as the Lord prepares it for His return for the bride (church) "without spot or wrinkle." The early church using the five-fold model, as recorded in the book of Acts, was said to have turned the world "upside down." The modern church has not

so much turned the world upside down, but is barely holding its own as far as its influence upon the world that it was sent to reach is concerned. Society is not being turned upside down for righteousness, but is fighting to stave off the confusion wrought by a world teaching there is no right and wrong... except the wrong of believing there is a right and wrong. The message has been propagated that tolerance of evil is the Holy Grail of societal acceptance. This is the giant of our day and it will take five smooth stones in the bag of preparation to cause the church to rise up in its intended faith and strength to slay the Goliath standing before it. Rising up are five God ordained ministry types that will bring to the church a multifaceted leadership working in cooperation within itself, which will impart to the church the needed edification. The single focused pastoral based ministry, which too often breeds competition, will give way to the agreement of the five, thus facilitating the last hour spiritual orchestration intended from the inception of the church. Spiritual exploits will be the result of this needed change. The change you are challenged to consider as you read this book... may there be a David among you!

Is That What "Church" Was Meant to Be? Mar 08 2022 This book can be a tremendous asset to pastors, church leaders, ministry volunteers and anyone else who desires to see their local church become more real, more enjoyable, more honest... more like the model of the early Church in the Book of Acts. A balance of spiritual truth, humor, practical application, and personal experience, Keith Hubbs takes you through scripture and history to examine

the five-fold ministry of Ephesians 4, carefully describing its purpose and intent, its function, and its overwhelming absence in today's Church! It will challenge what you believe about the ministry and your call as a Christian. It will challenge what you think you know about the proper order of church government. It will challenge you to examine your own motives in ministry, and help you realize how YOU fit into God's plan for His Church!

The Office of a Prophet Apr 28 2021 Are there still prophets in the church today? Too many people in the body of Christ assume the prophet is no longer a functioning member of the five-fold ministry simply because the office was vacant for about 400 years of biblical history. Those who recognize that Jesus ushered in a new era of prophets still do not understand the functionality of this office. The Office of a Prophet brings to light the responsibilities, gifts, and privileges bestowed on those who occupy this office. It details the assignments, obedience, strengths, and weaknesses of prophets in the Old and New Testament, as well as lays emphasis on pitfalls to be avoided by those called to this office. Whether you're called to The Office of a Prophet or just doubt the legitimacy of this office, Choice Nwachuku will enlighten you on importance of the prophet in the proper functioning of the five-fold ministry and the need for it in this dispensation of the end times.

The Now Church Oct 23 2020 God calls Himself I AM, not I WAS or I WILL BE. The Church must know the God of the now in order to think and do as He would do. This book discusses in simplicity and depth at least four major areas which are instrumental in the

advancement of Gods purpose for the Church today. Get revelation knowledge on the following areas: - the kingdom of God - the army of the Lord - kings and priests - five-fold ministry The Now Church is a church that has restored all of these ministries and is positioned to advance and be relevant for todays mandate. The Now Church picks up where the Acts Church left off and goes beyond for greater exploits.

**The Ministry Gifts of the Holy Spirit** Nov 04 2021 Perhaps one of the most misunderstood things in the Bible is the Holy Spirit. Most people know that it is a part of the Holy trinity, some may even know about the baptism of the Holy Spirit; however most people rarely go beyond that. The Holy Spirit is significantly more important than most Christians understand. It's not only important to us but the Church as well. Today more than ever we need to understand the Holy Spirit, as well as the gifting of the Spirit. We read in Ephesians 4:11 that the Lord gave us gifts to be used. These gifts are known as ministry gifts they are to be used to perfect the church. They were all but forgotten however, they were restored to the church by the reawakening of the charismatic movement. Like all things of God the Devil has a counterfeit which had led to much confusion and misunderstanding, it has also led to much abuse. Today, He is restoring a biblical understanding of what these roles and callings mean. The church has come a long way, even though there is still a lot of wrong conceptions and rejection due to the abuse prevalent in His body. However, when the gifts are recognized and they start taking their rightful places,

the Church can come into its maturity. Having all five offices in place in the church does not mean it is free from all work and responsibilities, on the contrary. It will find itself in a place of growth and equipping that nobody has ever dreamed possible. Only when the church becomes what God meant it to be, with all of the gifts of the Holy Spirit, as well as the five-fold ministry gifts, in place, will we truly come into full maturity and have the ability to fulfill the commission our Master Jesus gave us, to make disciples of all nations, doing the same works He did, and even greater. That is why now more than ever there is a need to understand the Gifts of the Spirit more than ever. Over the years, there have been volumes written on the subject of spiritual gifts. Lists have been compiled, and tests written and administered with various degrees of success and understanding. Even with all the differing opinions from various people, the study and application of knowing one's spiritual gift can have the greatest of impacts on the character of the church and its membership. Once you understand what your gifting is, it will bring a greater sense of pleasure, purpose and security. In today's Church the gifts of ministry are needed more than ever, however we don't see them in action very often, some people may even have gone their entire life and not see the gifts working. Some may have a general idea of what they are while others may not know what they are. Most who do know of the Gifts of the Spirit are often confused about them. How often does someone misunderstand how they work, and confuse the use of them? Such as the prophet, and the gift of Prophecy, both are gifts of the Spirit but each is

different in how they are used. For example all prophets have the gift of prophecy and can use the gift of prophecy, but not all people who can prophecy are prophets. With the reawakening of the charismatic movement the gifts of the spirit (Spiritual gifts) has been reawakened and brought back into the church. It is sad to say that in today's church the use of Spiritual gifts are the source of much controversy and confusion among believers. Some churches and or their demotions won't allow them because they don't know them are they fear them. This is interesting and something of a sad commentary, since these gifts are meant to be graces from God for the edification of the church. Even today, as in the early church, the misuse and misunderstanding of spiritual gifts have brought division--splitting up, rather than building up--in the church. Here in this book I seek to avoid the controversies by simply exploring what the Bible says about spiritual gifts, and help you to understand what the gifts are and how they can benefit the Church.

Where Did the Prophets Go? Feb 07 2022 Prophets not only exist, they live and minister among us. From the time of ancient history, prophets have always been with us-as fore-tellers, revealing God's plan, and as forth-tellers, prophesying events and ushering them in. Prophets encourage the Church and bring hope. They are the voice of God and, as such, bring direction to the faithful. Many believe that today there are no more prophets; that they all died off at the close of either the Old Testament or the New Testament period. The bible proves that this simply is not true. The five-fold ministry, made up of apostles, prophets, evangelists, pastors and teachers, is inherent in Christianity and must be recognized and respected if the Church is to survive. Too many churches that "seem" to succeed, without prophetic word, are those that are on the verge of being worldly churches. They are focused on people, money, programs, and power, and engage their followers in "guilt tithing." They do very little for the Church at large and are actually a hindrance to the ministry of Jesus Christ. If today's churches would follow the doctrines of the Bible, stop trying to please man, and stop making up silly traditions for the church to follow, they would see, do, and experience the things that the saints of old saw, did, and experienced. God is constantly talking to us, but will we listen? Enter the gift of prophecy.

**The Gifts of the Holy Spirit and Counsel for the Fivefold Ministry** Mar 28 2021 Would you be surprised if an internationally recognized evangelist believes that each person who sits in a pew each week can effectively minister part-time in one of the fivefold ministry offices? Did you know that you could be called to a ministry and that you can actually fulfil the tug on your heart that you have felt for years, but have not had the opportunity to enter into it on any full-time basis? This book is a conversation that Matthew Robert Payne had with the Holy Spirit where he wrote out questions and the Holy Spirit answered them, sometimes at length. This is book 2 in a series called "Conversations with the Holy Spirit."

Authority and Power for Today's Ministry Aug 13 2022 Authority and Power For Today's

Ministry Power is the ability to get what you want. In today's ministry, the most reliable means of getting what you want is power from above. God the creator has empowered human beings created by Him to go and subdue the earth. The bible sheds light on numerous miracles recorded to prove the mightiness of Almighty God. Though other lesser powers emerged to compete with the supreme of God, as in the case of Egyptian dominion over the Israelites yet, the power of God proved to be the most effective. In Luke 10:19, Jesus Christ decreed; Behold, I give unto you power to tread on serpents and scorpions and over all the power of the enemy and nothing shall by any means hurt you. You have indeed be empowered to battle demons, diseases and other related problems. All you need is to walk in faith and act by faith. Embracing satanic power with a view to battling demons is definitely out of place. Serving God and mammon will be counter-productive About the Book In Obedience to the dictates of the Holy Spirit, this book came out as an end-time revival message for all those involved in the five-fold ministry. All category of workers and members of the family of God would find the message relevant in the important task of pulling down the stronghold of the devil. **The Five-Fold Ministry Gifts** Jul 20 2020 Why does the Lord appoint apostles, prophets, evangelists, pastors, and teachers to the church? Ephesians 4:12 says they are bestowed for the perfecting of the saints, the work of the ministry, and to edify the body of Christ. However, these three objectives are best understood in the context of God's purpose. His purpose provides the "why" for understanding the five-fold ministry gifts or the gifts of Christ. From before the foundation of the world, the Father predetermined spiritual blessings in Christ for all humanity. In essence, His purpose is one of unity. The blessings outlined in Ephesians Chapter 1 says that He chose humanity to be His sons, who would share His very nature and be like Him. In short, the Father's simply wanted a family born of His nature, who would reflect His character, and on whom He could bestow an eternal inheritance. Therefore, the gifts of Christ exist in accordance with this purpose. Indeed, each gift has individual responsibilities but collectively, they serve to bring the entire body of Christ into maturity—a unified body that manifests the Father's glory or character. The gifts exist to fulfill the purpose that the Father predetermined from before the foundation of the world. This book discusses all these elements in detail and brings the Father's purpose for the church into perspective in relation to the gifts.

**Deeper Revelations Of The Five-Fold Ministry** Jan 18 2023 The reason why there is so much confusion in the Church today with regard to the operation of the gifts of the spirit is because the five-fold ministry gifts are not fully operational. It is a typical scenario right across the Body of Christ globally that people who are called to be apostles, prophets, pastors, teachers and evangelists are relegated to the side-lines while those who evidently don't have God's call are the ones holding the reigns. For this reason, the church continues to be plundered by forces of darkness as the masses are trapped into a morass of debilitating poverty, sickness and limitation in progress. In this publication, Apostle Frequency Revelator unveils the divine truth that the solution to a myriad of problems facing the masses across the Body of Christ is to focus on God's call and specific function within the five-fold ministry. When the five-fold ministry is in full operation, each member of the church will enter into their special individual ministry and function to the level where powers and principalities are shattered by the Body of Christ as a collective. It is through the fivefold ministries, that the church will reach the full stature of Jesus Christ and be no longer tossed to and fro by every wind of doctrine that comes by. It is important to get a biblical understanding of the origin of the five-fold ministry, so that our churches will be healthy and functioning according to the will and plan of God. In this publication, Apostle Frequency Revelator unveils that every Christian has a special ministry bequeathed upon him although not every Christian may be called to the fivefold ministry. It is therefore, the

responsibility of every believers to learn to operate in the gifts of the Holy Spirit as well as function in a particular ministry that God has called them to. Therefore, if you are called into one of the ministries of the five-fold, this book is a delicate recipe right in your hands. It will cause to understand how to function fully and effectively in the Body of Christ. Using the analogy of a human hand to depict the various functions of the five-fold ministry, Apostle Frequency Revelator practically demonstrates how each of the fold-fold ministries operate and relate to each other. Each of these offices illustrates a different aspect of how the Body of Christ operates as a collective. Therefore, this five-fold hand analogy is meant to reinforce your deeper understanding of the components of church governance so that believers across the Body of Christ globally could easily flow and operate in work of ministry.

The New Phoenix May 18 2020 We find a bird called the phoenix, which according to myth is symbolic of death and resurrection. According to Greek mythology, the sun god was the mentor of the phoenix, and around the world there are similar mythologies regarding the phoenix. The religions will die, but the doctrine—which is the spirit of that religion—will rise again. The doctrine she is referring to is the Kingdom Now movement, also known as Dominion theology. Jackie shares her firsthand experience walking on dangerous ground, as she finally learns the truth about this doctrine, the movement, and its leadership. need to pray. Praying means asking. None of us is exempted from praying because we are all dependants in one way or another. Everything that is not God depends on God. We are inadequate because there is no time we don't have expectations to meet. We have shared human desires. For example, everyone needs to be loved. We are all exclusively dependants on God because the desires of the human heart can only be found in the Lord. Trying to fix things apart from God is the recipe of failure. Praying is the greatest fellowship with God. We pray to the 'all-sufficient' God because we are insufficient by ourselves. Humanity with all human resources cannot save or fulfill itself. Our desires are endless and are constantly changing. For example, our eyes are never satisfied with seeing; we always want to see something new. Our ears are never satisfied with hearing; we always want to hear the current news. Likewise, the soul is never tired of yearning for the transcendent. People take different avenues when seeking for fulfillment but only those who have discovered the power of prayer experience true fulfillment. We are called to pray unceasingly because there is constantly a feeling of emptiness when we do not communicate with God. Emptiness is the reality of the void that colonized the heart, which was once a sacred space occupied by the Divine. Praying is to be intimate with God; it is having God's ear and eye in order to see the earthly things from the heavenly perspective.

Why the Church Needs the Prophet's Ministry Dec 25 2020 "The church today is in great need of the prophet's ministry. And yet, there exist much ignorance and misunderstanding of this important and vital ministry. This is partly due to the lack of teaching on the subject of the prophetic ministry, the lack of depth in the understanding of spiritual matters concerning the church, fear, distrust between leaders, pride, jealousy and disobedience to the Spirit of God and the will and plan of God for end-time-ministry. All of these things and such like are to be blamed for the ignorance and misunderstanding that currently exist concerning the prophet's ministry. As the church draws nearer to the end of the church-age prophets, prophetess and prophetic ministries will become more necessary and in increasing demand. The purpose of this book is to show biblical evidence for the ministry of the modern-day prophet/prophetess and to show they still exist within the New Testament Church. The purpose is also to establish knowledge of the workings of, the need of and the importance of the modern-day prophetic ministry. Without the ministry of the prophet/prophetess the body of Christ would indeed be incomplete. " Why The Church Needs The Prophet's Ministry" is an excellent guide for opening the doors of awareness to the prophet's ministry and for the bringing about of understanding that can lead to cooperation between the five-fold-ministry, as well as the entire body of Christian workers, adding to the completion of the end-time work of the ministry."

**Restoring the Five-Fold Ministry 2nd Edition** Sep 14 2022 The church represents the largest organization in the world, covering all nations, all cultures, and millions of members. Church leadership, like leadership in any organizations, is of vital importance. However, the difference is that Jesus's model of leadership and use of power and authority can be different from leadership in the world of business. The differences between the fivefold ministry gifts and the leadership of elders and deacons are often misunderstood, and the changing nature of church leadership from biblical roots has resulted in several forms of maladaptive leadership in the church today, the most common being the rise of the pastoral supremacy syndrome, where the focus on the pastoral gift has effectively destroyed the fivefold ministry intended to be God's leadership design. This book is about leadership" specifically about leadership in God's church.
