Packing and planning list. List of travel questions to ask yourself or others while traveling. A place to write your travel bucket list. Our Story Traveling is a passion of the "Greater than a Tourist" series creator. Lisa studied abroad in college, and for their honeymoon Lisa and her husband toured Europe. During her travels to Malta, an older man tried to give her some advice based on his own experience living on the island since he was a young boy. She was not sure if she should talk to the stranger but

was interested in his advice. When traveling to some places she was wary to talk to locals because she was afraid that they weren't being genuine. Through her travels, Lisa learned how much locals had to share with tourists. Lisa created the Greater Than a Tourist book series to help connect people with locals. A topic that locals are very passionate about sharing. [A Travel Guide to Jewish Russia & Ukraine](#) Dec 17 2022 "A priceless asset to any traveler whose goal is to explore the Jewish past of these two historical countries." --The Jewish Advocate The author follows in the footsteps of his namesake, the rabbi explorer of the twelfth century, Benjamin of Tudela, to create the first all-encompassing guide to Jewish Russia and Ukraine, with stops in Bulgaria and Romania. Until Communism fell, the Jews of Russia and Ukraine had been suppressed and denied human and religious rights. Today, not only are they reborn, but they are rebuilding a new, vibrant community for the twenty-first century. Frank explores this rebirth and guides both first-time and experienced travelers to Jewish and historical sites. He profiles synagogues, monuments, and schools that can be found in such cities as St. Petersburg, Moscow, Kiev, Odessa, and even Kishinev in Moldava. Approximately 120 years ago, the majority of the

world's Jews lived in what was called the "Pale of Settlement" in the Russian Empire. Most American Jews today trace their ancestry to Russia and the surrounding territories, especially Ukraine. A Travel Guide to Jewish Russia & Ukraine will aid those visiting places where relatives once lived, as well as those simply in search of history.

Kazan, Russia Feb 24 2021 Kazan, Russia. Travel and Tourism, Guide. Kazan (meaning 'cooking pot' in Tatar) is the Istanbul of the Volga, a place where Europe and Asia curiously inspect each other from the tops of church belfries and minarets. It is about 150 years older than Moscow and the capital of the Tatarstan Republic (Республика Татарстан) the land of the Volga Tatars, a Turkic people commonly associated with Chinggis (Genghis) Khaan's hordes. Tatar autonomy is strong here and is not just about bilingual street signs. Moscow has pumped vast sums into the republic to persuade it to remain a loyal part of Russia. It also ensures that Tatarstan benefits greatly from the vast oil reserves in this booming republic. Although

Tatar nationalism is strong, it is not radical, and the local version of Sunni Islam is very moderate. Slavic Russians make up about half of the population, and this cultural conflux of Slavic and Tatar cultures makes Kazan an all-the-more-interesting city. People are proud of their culture and try to save it, which is also encouraged on the state level. For example, Tatar language is official; all students must learn it at school. All signs in Kazan are written both in Russian and Tatar. It is more common to see the Tatar flag than the Russian flag. You will probably find here more mosques, than churches

[Russia Travel Guide](#) Aug 13 2022 Russia Travel Guide. Touristic Guide and Discovery. Russia is a wonderful place to try different types of tourism. In this country you find wonderful beach resorts, ancient cities with rich historic heritage and magnificent nature parks. We should start from describing the most famous places of interest of the capital. Kremlin is the main symbol of the city and an internationally famous attraction. This is a very important historic and architectural landmark, and every building on its

territory is a new page in the history of the country. The Red Square is located in front of the eastern wall of the complex. During several centuries the square was a witness to many important historic events. The Red Square was constructed on the site of numerous wooden houses, which made the threat of fire very real and, therefore, their presence was unacceptable near the royal residence. Nowadays, there are many exhibition halls, museums, parks and churches near the Red Square and the Kremlin complex. The city of Saint Petersburg remains the cultural capital of Russia. Nearly every street in this city is an important historic and architectural place of interest. Travelers are recommended to visit Peterhof, a famous series of palaces and gardens, which is located not far away from the center of the city. Peterhof was built by initiative and under control of Russian tsar Peter the Great. Nowadays, the palace exhibits numerous historic documents, plans and drafts. The Smolny Cathedral is one more

famous attraction of the city that is also recommended to visit. The beautiful cathedral is made in best traditions of baroque style. Its height is 94 metres; its halls and the facade are decorated with gilding, and blue walls of the cathedral feature skillfully made fretwork. Inner premises of the Smolny are no less beautiful and amaze visitors with stunning frescoes and carvings.

Hoax Apr 09 2022 Generally, Russia is very diverse ethnically. "Russians are weird. All cultures have their idiosyncrasies but Ruskiies take the cake. It's hard to combine Vikings, Slavs, Mongols, and numerous other ethnic groups and that not get something that is outside the ordinary," Stephen Powers wrote. In the summer of 2006, I started an extreme trip on one of the longest auto-routes in the world, from

my native country, Romania, aiming to reach the Pacific coast at Vladivostok crossing Siberia from West to East. My goal was to produce an independent documentary film in extreme conditions, in-country famous for its extremes - Russia. Despite all odds, I made it and I was about to catch the last flight back home at Moscow's International Airport when I was arrested under the charge of "Delivery of false terrorist information". It all was as unbelievable as the strange happenings of the last three weeks and this led me to the same conclusion - THE EPISODE WAS THE LAST CHAPTER OF THE BIGGEST HOAX EVER!
