*Liar's Poker* Nov 16 2022 The time was the 1980s. The place was Wall Street. The game was called Liar's Poker. Michael Lewis was fresh out of Princeton and the London School of Economics when he landed a job at Salomon Brothers, one of Wall Street's premier investment firms. During the next three years, Lewis rose from callow trainee to bond salesman, raking in millions for the firm and cashing in on a modern-day gold rush. Liar's Poker is the culmination of those heady, frenzied years—a behind-the-scenes look at a unique and turbulent time in American business. From the frat-boy camaraderie of the forty-first-floor trading room to the killer instinct that made ambitious young men gamble everything on a high-stakes game of bluffing and deception, here is Michael Lewis's knowing and hilarious insider's account of an unprecedented era of greed, gluttony, and outrageous fortune.

*Modern Compiler Design* Feb 13 2020 "Modern Compiler Design" makes the topic of compiler design more accessible by focusing on principles and techniques of wide application. By carefully distinguishing between the essential (material that has a high chance of being useful) and the incidental (material that will be of benefit only in exceptional cases) much useful information was packed in this comprehensive volume. The student who has finished this book can expect to understand the workings of and add to a language processor for each of the modern paradigms, and be able to read the literature on how to proceed. The first provides a firm basis, the second potential for growth.

Joan Crawford Aug 21 2020 In the first biography of Joan Crawford to give the full, uncensored story, bestselling author David Bret tells Crawford's rags to riches climb, from working in a Kansas City laundry to collecting an Oscar for her defining role in *Mildred Pierce*, and on to her devotion to Christian Science and reliance on vodka. He discusses the star's legendary relationship with Clark Gable, her countless love affairs, her marriages -- three of them to gay men -- and her obsession with rough sex. Bret divulges what really happened that led her to disinherit two of her four children, earning her the nickname "Mommie Dearest," as well as how her loathed mother forced Crawford to work as a prostitute, appear in pornographic films, and sleep her way to the top. Bret analyzes Crawford's films, many of which were constructed purely as vehicles where actress and character were often indistinguishable. Overtly generous towards her coterie of gay friends, she was heartless towards her enemies, particularly Bette Davis, her co-star in *Whatever Happened to Baby Jane*, with whom she shared a lifelong feud. Drawing on a wealth of unpublished material and interviews, David Bret presents a unique, fascinating portrait of a single-minded, uncompromising woman.

**Disciple IV** Sep 14 2022 DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.

**James Baldwin Now** Jan 14 2020 View the Table of Contents Read the Introduction. This excellent volume conceives of Baldwin as a figure crucial to discussions of whiteness, sexuality, and globalization. The times are ripe for the valuable reconsideration of Baldwin that James Baldwin Now provides.--Jennifer DeVere Brody, George Washington University One of the most prolific and influential African American writers, James Baldwin was for many a harbinger of hope, a man who traversed the genres of art-writing novels, essays, and poetry. James Baldwin Now takes advantage of the latest interdisciplinary work to understand the complexity of Baldwin's vision and contributions without needing to name him as exclusively gay, expatriate, black, or activist. It was, in fact, Baldwin who said, it is quite impossible to write a worthwhile novel about a Jew or a Gentile or a Homosexual, for people refuse... to function in so neat and one-dimensional a fashion. McBride has gathered a unique group of new scholars to interrogate Baldwin's life, his presence, and his political thought and work. James Baldwin Now finally addresses the man who spoke, and continues to speak, so eloquently to crucial issues of the twentieth century. Table of Contents Introduction: How Much Time Do You Want for Your Progress? New Approaches to James Baldwin Dwight A. McBride Part I: Baldwin and Race 1 White Fantasies of Desire: Baldwin and the Racial Identities of Sexuality Marlon B. Ross 2 Now More Than Ever: James

Baldwin and the Critique of White Liberalism Rebecca Aanerud 3 Finding the Words: Baldwin, Race Consciousness, and Democratic Theory Lawrie Balfour Part II: Baldwin and Sexuality 4 Culture, Rhetoric, and Queer Identity: James Baldwin and the Identity Politics of Race and Sexuality William J. *Potential Impacts of Climate Change on U.S. Transportation* Mar 08 2022 While every mode of transportation in the U.S. will be affected as the climate changes, potentially the greatest impact on transportation systems will be flooding of roads, railways, transit systems, and airport runways in coastal areas because of rising sea levels and surges brought on by more intense storms, says a new report from the National Research Council. Though the impacts of climate change will vary by region, it is certain they will be widespread and costly in human and economic terms, and will require significant changes in the planning, design, construction, operation, and maintenance of transportation systems. The U.S. transportation system was designed and built for local weather and climate conditions, predicated on historical temperature and precipitation data. The report finds that climate predictions used by transportation planners and engineers may no longer be reliable, however, in the face of new weather and climate extremes. Infrastructure pushed beyond the range for which it was designed can become stressed and fail, as seen with loss of the U.S. 90 Bridge in New Orleans after Hurricane Katrina.

**RETRACTED BOOK: 151 Trading Strategies** Feb 19 2023 The book provides detailed descriptions, including more than 550 mathematical formulas, for more than 150 trading strategies across a host of asset classes and trading styles. These include stocks, options, fixed income, futures, ETFs, indexes, commodities, foreign exchange, convertibles, structured assets, volatility, real estate, distressed assets, cash, cryptocurrencies, weather, energy, inflation, global macro, infrastructure, and tax arbitrage. Some strategies are based on machine learning algorithms such as artificial neural networks, Bayes, and k-nearest neighbors. The book also includes source code for illustrating out-of-sample backtesting, around 2,000 bibliographic references, and more than 900 glossary, acronym and math definitions. The presentation is intended to be descriptive and pedagogical and of particular interest to finance practitioners, traders, researchers, academics, and business school and finance program students.

**Forever Hidden** Sep 02 2021 Some things weren't meant to stay hidden... Sydney Davies is used to being in the spotlight. But the former model turned fashion designer isn't used to family secrets. Sydney is sent to dig up the past. What she finds instead is Deacon and a case of a missing girl with a link back to her life in the fashion industry. Deacon McKnight is hardly ever surprised due to his work as an investigator. But then he finds a woman with a shovel in his backyard in the middle of the night. And that is just the start of surprises. Now Sydney's life is in danger because of his case and Deacon must decide if some things are better left hidden.

**Financial Performance Representations** Mar 28 2021 This book sheds light on all aspects of earnings claims, including defining what an earnings claim really is, the origins of its regulation under the franchise disclosure laws, how a franchisor should prepare an earnings claim, how a franchisee should use an earnings claim, how a franchisee may attack lawful and unlawful earnings claims, how a franchisor may defend against such attacks, and how the government franchise enforcement authorities, investigate unlawful earnings claim activity.

Key of Life Oct 11 2019 In her book, Key of Life, Ortrun gently leads you into discovering who it is you truly are. Her intent is for the reader to recognize the connection of outer life experience with inner knowing, all the while more fully understanding that they are part of the WHOLE.

*Sovereignty Over Natural Resources* Feb 07 2022 In modern international law, permanent sovereignty over natural resources has come to entail duties as well as rights. This study analyses the evolution of permanent sovereignty from a political claim to a principle of international law, and examines its significance for a number of controversial issues such as people's rights, nationalization and environmental conservation. Although political discussion has long focused on the rights arising from permanent sovereignty, Dr Schrijver argues that this has been at the expense of the consideration of the corollary obligations it also entails. His book thus identifies directions sovereignty over natural resources has taken in an increasingly interdependent world and demonstrates its relevance to debate on foreign-investment regulation, the environment and sustainable development.

**Run You Down** Nov 11 2019 'A riveting series.' The Times 'A strong sequel . . . Aviva emerges as a woman with the great strength to survive suffering on a biblical scale.' New York Times Book Review The second book in the Rebekah Roberts series - a taut mystery and a brilliant exploration of the demons we inherit... Aviva Kagan was just a teenager when she left her Hasidic Jewish life in Brooklyn for a fling with a smiling college boy from Florida. A few months later she was pregnant, engaged to be married and trapped in a life she never imagined. So, shortly after the birth of her daughter she disappeared. Twenty-three years later, the child she walked away from, NYC tabloid reporter Rebekah Roberts, wants nothing to do with her. But when a man from the ultra-Orthodox enclave of Roseville, NY contacts Rebekah about his young wife's mysterious death, she is drawn into Aviva's old world, and a hidden culture full of dangerous secrets and frustrations. 'Dahl is an evocative writer, never more so than when she's describing the nascent yearnings of those younger members of [the ultra-Orthodox Jewish] community - gay, vaguely feminist, simply different - who can't quite fit in, but can't quite leave.' Maureen Corrigan, NPR's Fresh Air 'The smart, twisty plot and suspenseful tone will grip mystery and thriller lovers until the final page.' Library Journal

**Railway Engineering** May 10 2022 Railway Engineering has been specially designed for undergraduate students of civil engineering. From fundamental topics to modern technological developments, the book covers all aspects of the railways including various modernization plans covering tracks, locomotives, and rolling stock. Important statistical data about the Indian Railways and other useful information have also been incorporated to make the coverage comprehensive. A number of illustrative examples supplement text to aid easy understanding of design methods discussed. The book should also serve the need of students of

polytechnics and those appearing of the AMIE examination and would also be a ready reference for railway professionals.

*Jacky Daydream* Jun 11 2022 Lots of Jacqueline Wilson's characters are well-known and well-loved by thousands of readers: Hetty Feather, Ruby and Garnet, Pearl and Jodie, Elsa, Lily and, of course, the brilliant Tracy Beaker! But how much do you know about Jacqueline herself? Jacqueline takes a look back at her own childhood and teenage years in this captivating story of friendships, loneliness, books, family life and much more. She explores her past with the same warmth and lightness of touch that make her novels so special. Best of all, she reveals how she was always determined to be a writer; from the very first story she wrote, it was clear that this little girl had a very vivid imagination! But who would've guessed that she would grow up to be the mega-bestselling, award-winning Jacqueline Wilson? With original photographs and new illustrations by Nick Sharratt, this book is a delight for all of Jacky's fans, and a treat for any new readers too.
